It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and Design Guidelines for the subdivision including zoning ordinance and any provisions in the subdivision agreement. The Control Architect may refuse to review plans that are incomplete or approaching site Control and or working drawings with respect to any zoning or building, code or permit matter or that are hours can be properly built or occupied as to lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township of King.
