For Lot 56.

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable legislations and requirements in the building premises and any inconsistencies in the submitted plans. The Architect is not responsible in any way for examining or approving site (siting) plans or working drawings with respect to any zoning or building codes or permit review or that any house can be properly built or located on its lot.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the Township of King.
