Hi Ivana, go ahead and grant the extension and I please make a note in the file and computer for the request for extension, length and reason. Let me know if you have any other questions, mira.

Hi Mira,

I had Petra call and ask about an extension that one of the purchasers was inquiring about- they firm up tomorrow and need an extension- they are awaiting some things from the bank and wanted to ask some questions – the unit is 209 from the Residences and was purchased on June 24th.. Let me know what we are to do in this situation- by the way it is Ivana you can email me back on Andres email !

Thanks Ivana
