It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable regulations and requirements governing construction and any deviations in the building specifications from the Architect's not negotiable. The Architect is not responsible for any errors in scaling or approving of the building plans or working drawings with respect to any zoning or other municipal by-laws, regulations, or the house can be properly built as planned or as set out.

ARC ARCHITECTURAL CONTROL & APPROVAL
This plan has been reviewed for compliance with Architectural Control Guidelines approved by the Township of KING.
