LOT 4

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Control Guidelines as well as all applicable regulations and requirements including zoning provisions and any particular site conditions or restrictions. The Town of King Architect is not responsible in any way for examining or approving site (lotting) plans or working drawings with respect to any zoning or building code or permit matter or that any house can be properly built or located on its lot.

This is to certify that these plans comply with the applicable Architectural Control Guidelines approved by the Township of KING.
