Hi Mira,
 Agent Sam Wadwha has 3 units in tower 2 purchased on June 24th. Sam called some time after to discuss lawyer requests, I asked him to fax requests to us and we would issue standard caps/authorized amendments as per builder. Lawyer requests and fax rec'd, Andrea typed caps and called to pick up on July 7, pkgs are gone from front desk so picked up. Agent now wants to meet on Sat with a salesperson to discuss? Deal should be firm, caps signed and returned to us. His contact info is 416-617-7690 cell and 416-321-1999 office.

Thanks for your help,
 Michelle
