

Suite 1404 Tower 1 (The Residence)

Salman Rashid Salman (purchaser for Suite 1404 in The Residence) had referred his nephew from England to purchase Suite 2304 in The Residence and has seen that Paul Salman was offered Stainless Steel appliances. We did not have the discretion to offer stainless steel appliances at the time of purchase for Salman Rashid Salman for Suite 1404, so I did not offer him the Stainless Steel appliances at the time of purchase.

I realize the deal is firm, however in light that his deal and his nephew's deal were without agents or brokers and the fact that Paul Salman in Suite 2304 has the stainless steel appliances. Salman Rashid Salman has requested stainless steel appliances be included in his deal as a courtesy. Thanks.
