To the Sales Manager,

I am writing this letter to request an assignment clause for after 365 days of original purchase date to be added to the purchase and sales agreement contract. I have purchased unit #1107 in tower 5, The Grand Residences Tower. My name is Jeremias Machado and I am a friend of Michelle Ozmic's, who is part of your sales team, so you can send any paperwork that needs to be signed through her.

Thank you
Jeremias Machado
