Hi Andrea,

As you know we are buying three units in different names in Tower II as under -

- 1- Unit # 2406 - Sorbh Baweja
- 2- Unit # 2306 - Wadhwa Neelam
- 3- Unit # 2205 - Wadhwa Sanjeev (Sam) - *WIFE'S ID*

I want to make sure that all the files are complete and there is nothing pending for all the three units. Please also provide me with ' Confirmation of Cooperation' document for all the three units by mail and fax, as soon as possible, which I need to submit to my office.

Please talk to my assistant Paul, when you are in the office on Monday and let him know the status.

Thank you.
