Re: eve - Suite 2106

April 17, 2006

I would like to request that my installment due April 18, 2006 for \$10,245.00 be delayed until May 1st, 2006.

My reason for the delay is that I am in the process of selling my home and arranging financing with my bank which should be finalized either this week or next. I would appreciate your indulgence in this matter.

Thank you,
