Hi Evelyn,

Thanks for the email.

I've decided to put both units jointly in me & my sister's name. I have attached 2 copies (1 for each unit).

If I understand right, you'll also need a faxed (or scanned copy) of both of our SIN Cards and Drivers Licenses. Or this only needed when I sign the contract that you're going to courier?

If any additional information is needed please reply back and I'll make sure to send it to you.

Regards,

Khalid
