Hi Charanjit,

We are in the process of having colour selections completed for our elle condo project. Are you planning to be in Mississauga between today and the 15th of June? If so, you might be able to come in and do the colour selections.

If not, Gurinder can do this for you if you wish. (He forgot his last appointment with us, but we are trying to find time to set up a new appointment for him). If you want Gurinder to select for you, please send us an e-mail stating that you are authorizing Gurinder to do the colour selections on your behalf. Thank you.

Regards, Greta
