Dear Anila Fawad:

As a valued homeowner, I would like to take this opportunity to update you on the changes that are taking place at elle. This is an exciting time as construction is well underway and this 36 storey tower is fast becoming a reality. Our project managers and trades people have been hard at work, they have recently completed the building up to the 15<sup>th</sup> floor and interior work has begun on the lower levels.

As construction progresses on schedule, so does the work on the interior finishing details. Our records indicate your Colour Selections are incomplete. Please contact the elle Discovery Centre to set-up an appointment to finalize your Colour Selections.

This letter serves as written notice of your incomplete Colour Selection and as per Section 12 (a) Finishes and Appliances of your Agreement of Purchase and Sale you have seven (7) days to complete your Colour Selection. Please note that you *must* make your selections, prior to **November 6, 2009**. If you do not finalize your Colour Selection by the given date, Amacon will complete the selection in its sole and absolute discretion, on your behalf.

Kindly contact the elle Sales Team upon receipt of this letter at 905 212 7175 or [info@myellecondo.com](mailto:info@myellecondo.com) to set up your appointment. The elle Discovery Centre is now located at 465 Burnhamthorpe Road West (at the corner of Burnhamthorpe and Confederation) and is open on Monday to Thursday from 1 – 7 PM and 12-5 PM on Saturday & Sunday.

Your immediate attention to the above noted matter is greatly appreciated. If you have any questions or require further information please do not hesitate to contact the elle sales team.

Thank-you for your co-operation and we look forward to seeing you!

Sincerely,

Michelle Ozimec
