Dear PROPERTY MANAGEMENT:

I am the owner of suite 1510 & I would like to report that there is flooding in my unit. The specific area of concern is the corner area of my walk in closet. The water seems to be coming from the floor & has soaked the carpet. I would appreciate it if this situation could be looked at & fixed as soon as possible.

Also the ~~the~~ drain in the bath tub seems to be blocked & the water drains slowly. If this could also be looked at.

as the new owner of this unit, this is my first week in my new home & I would like to have these issues resolved.

Many Thanks
Susan Vance
