Hi Naim,

I just heard from Head office and they will allow the 10 deposit at occupancy like yours for your brother's deal. My administrator is preparing the one page amendment and I will scan and email this to you. Please sign it and scan and email back to me. When you come to pick up your signed documents on Saturday with your brother you will need to initial the date chages on the cheques.

Thanks Naim, nand I will email you later.

Sincerely,

Claudine
