Service Request:

→ (I spoke with Parvi, and she sent a plumber).

1. Toilet: Water level is very low - The Plumber came in today to fix the chain - managed to look into the low water level.
2. Granite stain (spill on the counters) - could you please help me? ✓
↳ Does the counter need to be stained again?
3. Lock on door - Very tight - unable to lock tightly ✓
4. Caulking Bathroom: Caulking around the door - various spots in the bathroom - worried about mould. ?

Thanks and
Merry Christmas :-)
