We Have Accepted Your Second-Year Form

Dear Homeowner,

Thank you for submitting a Second-Year Form. We are accepting this form based on the Date of Possession of record for your home, February 17, 2009.

What Happens Next

Your builder should resolve the items that are covered by the warranty by January 5, 2011. Please note there are specific situations for which this timeline may not apply (such as repairs to the exterior of your home which require suitable weather conditions). For more details about repair periods, please refer to the *Homeowner Information Package* or contact us at the number below.

If Your Items Are Not Resolved

If your items are not resolved by the above date, you may contact us between January 6, 2011 and February 4, 2011 to request a Tarion inspection of your home to assess the situation.
