We Have Accepted Your Second-Year Form

Dear Homeowner,

Thank you for submitting a Second-Year Form. We are accepting this form based on the Date of Possession of record for your home, February 25, 2009.

What Happens Next

Your builder should resolve the items that are covered by the warranty by May 24, 2011. Please note there are specific situations for which this timeline may not apply (such as repairs to the exterior of your home which require suitable weather conditions). For more details about repair periods, please refer to the *Homeowner Information Package* or contact us at the number below.

If Your Items Are Not Resolved

If your items are not resolved by the above date, you may contact us between May 25, 2011 and June 23, 2011 to request a Tarion inspection of your home to assess the situation.

Note to Condominium Owners

Tarion's Warranty Forms are for reporting items related to your unit. Common element items must be reported to the condominium corporation's Board of Directors. For a complete description of your unit boundaries, please refer to the disclosure statement attached to your purchase agreement.
