### Your Conciliation Inspection

Dear Homeowner,

*Conciliation inspection.*

We have scheduled a conciliation inspection for February 29, 2012 at 2:00 p.m. to assess the unresolved items on your Year End Form. We have enclosed an updated copy of your form. If you have not been able to let us know which items have already been completed, please contact us as soon as possible.

#### What Happens Next

Your builder has until February 8, 2012 to resolve items that are covered by the warranty. We will contact you just prior to the inspection to determine if it is still necessary. Please contact us to cancel the conciliation inspection if your builder completes the required work in this time.

#### Supporting Documents

To help us with your inspection, please send a copy of your Agreement of Purchase and Sale to us as soon as possible. You can include any other documents that you believe will assist us. If you are a condominium owner, please send us Schedule "C" of the declaration for your condominium.

#### Conciliation Deposit

There is a deposit for this conciliation. This will be refunded to you if we determine that one or more items we inspect are covered by the warranty. If you have not provided your deposit already, please do so as soon as possible. Note that if you do not provide your deposit by the day before the inspection, the inspection will not take place.

#### Cancelling Your Inspection

If the builder completes the required work and you wish to cancel this inspection, please let us know at least one day before the inspection date. If you fail to do so, you may forfeit your conciliation deposit.
