Please note:

1. When you apply for a SIN card, you can usually expect to receive it within 10 working days. If you do not receive the card after 15 working days, call the Social Insurance Registration office at 1-800-206-7218. If you are calling from outside Canada, call 1-506-548-7961.
2. The Employment Insurance Regulations require a person to apply for a SIN and to present the SIN card to his or her employer within three days of receiving it. However, the legislation does not prevent people from working in insurable employment if they have not yet received their SIN card.
3. Employers: The Employment Insurance Regulations require that an employer see an employee's SIN card once hired. If the employee has a number beginning with the digit 9, the employer must ensure that the SIN is not expired. You can obtain more information from our Web site at www.servicecanada.gc.ca
