RE: Completed Items on your 30 day form #903

Dear Anthony Chan,

Your satisfaction with your new home is important to us. Our records indicate that your **30 day form** items have been completed. Amacon would like your confirmation of the above mentioned completion. A copy of that list is attached. Please review it and confirm that all items listed have been resolved.

In regards to 30 Day item #3:

Windows - The west side window (right side) window is catching against the exterior window frame. There appears to be pain chipping and scraping.

Amacon has video evidence of the window working properly; it can be available upon request.

If you believe that Amacon has overlooked any listed deficiency from the original **30 day form** please note the number of the item in the space below. If all items have been resolved, simply sign the acknowledgement.

It is Mandatory that this form be returned either by mail, fax, or email
(customerareto@amacon.com) by: **November 22nd, 2012.**

Your feedback about our service or your new home helps us improve our business.
Please let us hear from you.

Sincerely,

Amacon Customer Care

☐ All homeowner's **30 day items** have been resolved.

☐ The following **30 day items** still need attention (you need only list the item number.)

Comments

Outstanding items must be specifically listed and described.

A reference to the Pre-Delivery Inspection Form or to other documentation will not be accepted.

Outstanding Items

List all outstanding items covered by the statutory warranty in the table below. If you require more space, please make copies of this page, number them and attach them to this Statutory Warranty Form.

Enrolment #

H1752157

Item #	Floor/Level	Room/Area	Item/Defect Area	Description
INTERIOR				
1	Floor 01	Bathroom	Bathtub	The exterior wall of the bathtub had a patched hole (middle, toilet side). The whole was patched, but there appears to be scratches and gouges that are not yet fixed. Also, the repair is very visible.
2	Floor 01	Living Room	Floor	The baseboard at the bottom of the windows is not secured. There is a gap between the westside (right when facing window) piece and floor. The eastside is not secured on one side. New caulking is required between window frame and baseboard.
3	Floor 01	Living Room	Windows	The westside window (right side) window is catching against the exterior window frame. The appears to be paint chip and scraping.

ATTACHMENTS

File Name #	Description
-------------	-------------

The items specified on this Statutory Warranty Form constitute a complete list of all known warranty items which are outstanding and have not been resolved by my Builder to date.
