Figure 1 is a schematic representation of the experimental design. It shows a sequence of events: a subject is presented with a stimulus (a word or picture), then a response is recorded (e.g., 'A', 'B', 'C', 'D'), and finally a feedback is provided (e.g., 'Correct', 'Incorrect'). The sequence is repeated for multiple trials, with the subject's response being recorded and feedback being provided for each trial. The diagram is divided into two main sections: 'Stimulus' and 'Response'.
