Hi Anita,

Upon further consideration of the request stated below for the French Door foyer enclosure, I have decided to cancel the request to the builder for LPH3 North Tower Block Nine.

My reasoning is that it will obscure the openness of the floor plan in an undesirable way.

Please accept my sincerest apologies, and feel free to contact me at anytime regarding this change.

Best regards,

Hi Anita,

Seeing as how the decor appointments are around the corner, I thought I would just check in with you regarding that French door for the foyer?
