Explanation of changes and other important information

We changed the T2 return based on the additional information submitted.

We changed your undepreciated capital cost at the beginning of the tax year on Schedule 8, Capital Cost Allowance (CCA), for class 1. We changed it to **\$0.00** to agree with our records.

We changed the undepreciated capital cost at the end of the year on Schedule 8, Capital Cost Allowance (CCA), for class 1. We changed it to **\$291,975.00** to match our records.

We set your balance due date to the end of the second month after the end of the tax year. We did this because our records show that your corporation does not qualify for the one-month extension of the balance due date.
