## E. NOTES

**TWO AGENTS:** Where there are two agents involved in a transaction, the buyer's agent is responsible for completing the receipt of funds record.

**LISTING AGENT TRUST ACCOUNT:** If funds are deposited into a listing agent's trust account, the buyer's agent is only required to record the fact that the funds were deposited into the listing agent's trust account but is not required to include the number of the trust account or the name or entity that holds the trust account.

**REASONABLE MEASURES:** If the buyer agent's client provides funds directly to the listing agent,the buyer's agent's are only obligated to take reasonable measures (i.e. ask) the listing broker for:

- Any listing brokerage reference numbers.
- Where a client account is affected (e.g. client's chequing account), the account number, the name of the account holder and the type of account.

**MULTIPLE ACCOUNTS:** Note that if multiple accounts are affected, information on all accounts affected needs to be recorded subject to the caveats noted above with respect to listing agent trust accounts and the reasonable measures.
