29.5 cu. ft 48-Inch Width Built-In Side by Side Refrigerator with PrintShield™ Finish

4.3

19 Reviews [Write a Review](#)

This versatile 29.5 Cu. ft built-in refrigerator features the ExtendFresh™ Plus Temperature Management System, which maintains the perfect temperature for fresh ingredients. The Produce Preserver extends freshness by neutralizing the over-ripening effects of ethylene emitted by certain fruits and vegetables. It also features PrintShield™ Finish, a fingerprint resistant finish, which protects against smudges and enhances the look of the refrigerator.
