Re: Lot # 78

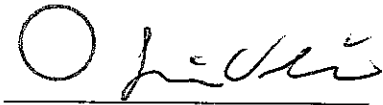

This is to acknowledge that as the purchaser of the above noted lot, I have asked Gold Park Homes not to install the standard builder's kitchen exhaust hood. I will be installing my own unit after closing at my own expense and warranty. I also accept that the venting location will be as per the standard range hood.

INFORMATION - PVC DOORS

Builder.. Gold Park Homes Project..... Lot # 78

All cabinets with PVC (Thermofoil) Doors come with melamine gables, panels and kick. The doors, crown moulding and light valance are PVC wrapped. Open shelves incorporated in design will only be available with melamine interiors. There will be variations in colour shades between the PVC parts (doors, crown and Light valance) and the melamine parts (open shelves, Gables , Panels and Kick) due to the difference in material.

Furring Panel with crown moulding to the ceiling is not available on all PVC door styles due to subtle variations in colour shades between the PVC parts (moulding) and the melamine parts (furring panel) due to the difference in material. Grain directions in wood grain pattern melamine , vary between the furring panel, crown moulding (horizontal) and the PVC doors (vertical).

Thank you for your understanding.

I am well informed of this information, and agree to the purchase of the above.
