

A detailed architectural line drawing of a two-story house. The house features a gabled roof with a chimney on the left side. The front facade includes a central entrance with a small porch, a balcony on the second floor with a railing, and a large window on the right side. The drawing is oriented horizontally on the page.

A detailed architectural line drawing of a three-story house. The house features a gabled roof with a central dormer window. The facade is composed of horizontal siding. The first floor has a large front door and a window. The second floor has four windows, and the third floor has four windows. A covered porch with a railing is located on the right side of the house. The drawing is a black and white line art illustration.
