Hi Joyce,

I looked at the information sheet. The purchaser did not want the appliances so he got an extra \$2500 in upgrades. All future deals like this will have "No Appliance package" written in the schedule "PE".

Thank you.

Regards, Matthew Schirripa.

Hi Mountainview Heights team,

Décor noticed there wasn't an Appliance PE with the above noted townhouse. I see that we gave them the \$10,000 Upgrade Credit instead of the regular \$7,500 plus appliances for the townhomes. Can you please confirm that they *will not* be getting appliances as a result?

Thanks!!

Best regards,

Joyce Chan
