#### **Good to Know**

Performance

Capacity: 5.0 cu.ft. Voltage: 208-240V.

Miniumum fuse needed: 20A.

6 cooking levels.

What's included

Installation should be made by professionals in accordance with valid local safety regulations.

This model is designed for built-in installation.

Assembly and installation

Two racks included.

#### **Benefit Summary**

No entries

#### **Benefits**

5-year Limited Warranty. Read about the terms in the Limited Warranty brochure.

Easier and more flexible to bake or custom broil delicious dishes, thanks to the multiple cooking levels and adjustable racks.

The warming program enables you to keep food warm without burning or overcooking.

The self-cleaning function makes it easier for you to clean the oven, as grease and food residue are burned to ashes that can be easily brushed off.

The automatic lock prevents the door from being opened during self-cleaning at a high temperature.

Convenient electronic timer with delayed start function which allows you to begin the cooking process when it suits you best.

The full electronic display clearly shows the status of settings, temperature, or important functions.

#### **Good to Know**

Performance

Output power microwave: 950W.

10 power levels.

Electronic timer.

Voltage: 120V.

#### **Benefit Summary**

No entries

#### **Benefits**

5-year Limited Warranty. Read about the terms in the Limited Warranty brochure.

With the Cook program, specific times and cooking power have been preset for certain foods, so you can easily select suitable settings for the right type of food.

By just selecting the settings for specific food types, you can reheat or defrost without affecting the nutrients or flavors of foods.

Make perfect popcorn or bake delicious potatoes using the special preset functions that will adapt the time and right temperature automatically.

You can install the microwave in a high cabinet to get a comfortable working height and free up space on the countertop.

## Description

Your growing wine collection will feel right at home in this classy free-standing wine cooler from Danby. There's plenty of room for your favourite wines to chill and age in this stunning unit as it can easily hold up to 36 bottles. The beautiful blue LED track lighting system will showcase your impressive collection without the need of a warm incandescent bulb. The stylish appliance is designed to integrate seamlessly into your home's interior surroundings wherever you decide to place it. The creative lighting system and beautiful tempered-glass door ensures the cooler is energy-efficient at all times and harmful ultraviolet rays are kept at bay. It comes with a convenient temperature range of 6°C to 14°C (43°F - 57°F) to make sure your bottles are always perfectly chilled. This trendy wine cooler features attractive black wire shelving along with a recessed pocket-style handle and a smooth back design. When reaching for your desired bottle of wine it won't matter if you're right or left-handed as the versatile door can easily and quickly be reversed. This cooler also offers in-home service on its 12-month parts
