## Overview

Model # NGM8057UC Store SKU # 1001464945

Bosch gas cooktops with FlameSelect offers nine precisely adjustable power levels for reliable, repeatable flame regulation and perfect cooking results. This patented valve technology offers the power of gas cooking combined with the control and precision of an electric cooktop. The low profile cooking surface offers a modern design, paired with effortless cleaning.

- FlameSelect® - Enables you to easily adjust the exact flame size from high to low, across nine distinct power levels giving you ultimate control and precision.
- Dual Flame Ring Power Burner - Allows for ideal, uniform heat distribution for boiling, searing or precise simmering.
- OptiSim® Burner - Offers more flame control at the lowest settings for precise simmering and melting.
- Flame Failure Safety Device - If the flame is extinguished, the gas supply is immediately safely stopped for complete peace of mind.
- Low Profile Cooking Surfaces - The low profile cooking surface offers easy cleaning and sleek design.
- Precision Control Knobs - These knobs are accentuated with printed visual cues to clearly highlight the chosen power levels.
- Heavy-Duty Grates - Can be easily and quickly cleaned in the dishwasher.
- 5 High Efficiency Burners - High efficiency burner technology requires less gas BTU's to achieve a faster boiling time, resulting in energy and time savings.
- Sealed Burners - Prevent spills from entering the burner box so it is easy to clean.
- Knob Location - The knobs are conveniently located in the front of the cooktop for ease of use.
