THIS LOT GRADING PLAN HAS BEEN REVIEWED BY METROPOLITAN CONSULTING INC. FOR CONFORMANCE WITH THE APPROVED SUBDIVISION GRADING DESIGN. THE PROPOSED GRADES ON THIS PLAN ARE IN GENERAL CONFORMITY WITH THE APPROVED GRADING PLAN AS IT RELATES TO THIS LOT AND ADJACENT LOTS. WHERE THE BASEMENT FLOOR OR OTHER FOUNDATION ELEVATIONS ARE PROPOSED AT A DIFFERENT ELEVATION THAN THAT SHOWN ON THE APPROVED SUBDIVISION PLANS THE SEWER LATERALS HAVE BEEN REVIEWED AND WE ARE SATISFIED THAT THE MINIMUM GRADES FOR THESE LATERALS CAN BE MAINTAINED IN ACCORDANCE WITH THE REQUIRMENTS OF THE O.E.C. AND CITY DESIGN CRITERIA. NOTE, THIS CERTIFICATION DOES NOT REPLACE THE BUILDER'S RESPONSIBILITY TO EXPOSE THE SEWER LATERALS AND CONFIRM ELEVATIONS PRIOR TO EXCAVATING FOR THE FOUNDATION. BY USE OF THIS PLAN THE BUILDER AGREES THAT THEY SHALL BE RESPONSIBLE FOR IMMEDIATELY REPORTING TO METROPOLITAN CONSULTING ANY DISCREPANCY OR VARIATION BETWEEN THE LATERAL INFORMATION AND GRADES DEPICTED ON THIS PLAN AND THE CONDITIONS FOUND IN THE FIELD.

It is the builder's complete responsibility to ensure that all plans submitted for approval fully comply with the Architectural Guidelines and all applicable regulations and requirements including zoning provisions and any provisions in the subdivision agreement. The Control Architect is not responsible in any way for examining or approving site (lotting) plans or working deavings with respect to any zoning or building code or permit matter or that any house can be properly built or located on is followed.

This is to certify that these plans comply with the applicable Architectural Design Guidelines approved by the City of HAMILTON:
