Schedule SMART Russell Gardens Building Ltd. (Phase 4)

Smart Home System includes:

- 1. One (1) Smart Home Hub installed in a location as determined by the Vendor;
- 2. One (1) Doorbell camera supplied and installed at front door;
- 3. One (1) smart home thermostat to be installed in a location as determined by the Vendor;
- 4. One (1) smart Flood sensor to be installed in a location as determined by the Vendor which is designed to detect water in the location of the senor only;
- 5. Smart light switches to be installed in such locations as determined by the Vendor;

Certain devices for The Smart Home System require a fully functioning WiFi network and internet connection and others work on the Zwave wireless network. Provision of WiFi, internet access and functionality shall be the sole responsibility of the Purchaser and the Vendor assumes no responsibility or obligation with respect to the functionality or performance of a homeowner's internet or WiFi network. The Vendor does not guarantee that networks, equipment, or services will meet all homeowner needs.

The Purchaser will be required to download the Homewave Smart Connect App (the "App") in order to configure and set up the Smart Home System devices. The Purchaser is responsible to ensure that they have the appropriate technology to download the App and any charges and fees for download and/or data usage shall be at the Purchaser's sole cost and expense. Access to the App shall be provided free of charge for 1 year from the Closing Date and thereafter the Purchaser may enter into an agreement with Homewave Smart Connect to continue the services for a monthly fee (currently \$10.00/month plus HST). Fees subject to change without notice.

Purchasers are responsible for configuring all security features. The Vendor does not warrant or represent that any network or Smart Home System devices are secure or can prevent all privacy intrusions, malware, or cyber-attacks, even when correctly configured. The products and services for the Smart Home System are provided by third parties, and not the Vendor. The Vendor does not guarantee any equipment or services provided by third parties. If the Purchaser contracts with the third-party provider to upgrade or purchase further devices, the Vendor has no responsibly for same, including but not limited to, the installation, service, safety or functionality of said products.

Energy claims are not based upon specific testing of an individual home but are general assumptions. Savings will vary due to many variables, including but not limited to, actual utility rates and fees, actual construction, floor plan, occupancy, appliance usage, thermostat settings, weather conditions, number of individuals occupying the home and orientation of the home.

The Vendor is providing only those Smart Home System's devices and components listed in this Schedule. Please see the balance of your Agreement of Purchase and Sale for additional information, disclosures, and disclaimers relating to your home and its features. The specific features in a home may vary from home to home and from one community to another. The Vendor reserves the right to substitute equipment, material, appliances and brand names with items of equal or higher value, in its sole and unfettered discretion. The Vendor reserves the right, in its sole and absolute discretion, to omit installation of the Smart Home System, in part or in whole, and the Purchaser shall have no claim for abatement or reduction the Purchase Price or to any delay in closing. Installation of the Smart Home System may result in the elimination of other features listed in Schedule GP or other information material, such as but not limited to set back thermostat, rough-in for alarm or other features deemed redundant as a result of the installation of the Smart Home System.
