In the event of conflict between selection images and the Décor Centre samples, Décor Centre samples shall prevail.
- 3) Any extras listed above are null and void unless accompanied by a separate invoice/amendment. Said invoice must be paid in full.

Greenpark Homes Décor Centre Disclaimers

Lot#: 805 Model:C808 in Charisma Condominiums - Genazzano Highrises Inc.

PURCHASER: ROLENE INC.

TEL:

The following disclaimers apply to all of the Purchaser's Extra, Purchaser's Estimate Request and all Interior Colour Selection Schedules. The Purchaser(s) acknowledges that the following items may affect matters relating to their unit:

Natural Stone

The Purchaser acknowledges that natural stone products such as granite, marble and quartz that are installed in their dwelling may vary in shading, pattern, texture, veining, pores, colour and fissures from the sample in the Vendor's Décor Centre despite both having the same name. Marble is not recommended in high traffic areas, such as the kitchen, as marble is a more porous stone than granite and will stain and scratch easier than a granite surface.

Ceramic Tile

Many variables affect tile colour, pattern and/or design which means that installed tiles may not be identical to the samples. As a result of the manufacturing process, tiles with the same name but of different sizes, may have different colours, pattern or design and will not be an exact match to each other. Furthermore, the staggered pattern of the laid tiles will vary due to size of the tile. Purchaser accepts tiles as laid by Vendor.

Hardwood/Laminate Flooring

Cupping and shrinkage are characteristics of hardwood/laminate flooring normally appearing some time after installation, and no warranty is provided by the flooring supplier with respect to such cupping and shrinkage. Purchaser acknowledges that hardwood floor is a natural product and that it may vary in the number and size of knots, grain, pattern and colour from the sample in the Vendor's Décor Centre.

Appliances

All appliance openings are set to Vendor's standard width. Please advise Décor Centre at time of colour appointment if custom sizing of cabinets and openings are required for any appliance. The Purchaser is responsible for costs and fees associated with changes to standard kitchen cabinets and openings and shall provide the Vendor with appliance specifications prior to completion of colour chart.

If applicable, where appliances are supplied by the Vendor, the model may vary according to availability and the Purchaser acknowledges that the Vendor may substitute appliances for same or better quality as determined by the Vendor in its sole and unfettered discretion.

Cabinets

The appearance of cabinets may vary depending on the location where they are installed, variations in manufactured products or natural occurrences including colour tone and grain patterns, the presence of natural and artificial lighting and adjacent finishes. Natural components within cabinets may vary, including but not limited to, grain patterns, shading and acceptance of stain finishes, within anyone item and between items. Cabinet and/or drawer size and location subject to verification on job site and will be adjusted and/or relocated to fit site conditions. Extended upper cabinets, if applicable, may vary in height based on the ceiling height and the location of any bulkheads.

The Purchaser(s) acknowledge that all measurements and locations are approximate only and are subject to verification on site and may be adjusted to accommodate site conditions. Purchaser acknowledges that not all of the above modifications were available or offered to the Purchaser.

The undersigned has read and understood the above and will accept the property as delivered subject to any variations to the finishes as contemplated herein and according to the terms of the Agreement of Purchase and Sale. The Purchaser acknowledges and agrees that while Décor Centre consultants may comment on the Purchaser's selections, the Purchaser is solely responsible for the final selection of colours and finishes.
