The Purchaser acknowledges that natural stone products such as granite, marble and quartz that are installed in their dwelling may vary in shading, pattern, texture, veining, pores, colour and fissures from the sample in the Vendor's Décor Centre despite having the same name. Marble is not recommended in high traffic areas, such as the kitchen, as marble is a more porous stone

any variables affect tile colour, pattern and/or design which means that installed tiles may not be identical to the samples. As a result of the manufacturing process, tiles with the same name but of different sizes, may have different colours, pattern or and will not be an exact match to each other. Furthermore, the staggered pattern of the laid tiles will vary due to size of the tile. Purchaser accepts tiles as laid by Vendor.

**Hardwood/Laminate Flooring**  
Cupping and shrinkage are characteristics of hardwood/laminate flooring normally appearing some time after installation, and warranty is provided by the flooring supplier with respect to such cupping and shrinkage. Purchaser acknowledges that hardwood

**Appliances**  
All appliance openings are set to Vendor's standard width. Please advise Décor Centre at time of colour appointment if custom sizing of cabinets and openings are required for any appliance. If applicable, where appliances are supplied by the Vendor, the model may vary according to availability and the Purchaser acknowledges that the Vendor may substitute appliances for same or better quality as determined by the Vendor in its sole unfettered discretion.

The Purchaser(s) acknowledge that all measurements and locations are approximate only and are subject to verification on site and may be adjusted to accommodate site conditions. Purchaser acknowledges that not all of the above modifications were available or offered to the Purchaser.

1)

Colours of all materials are as close as possible to builder's selection, but not necessarily identical due to variances in manufacturing.

Such images when displayed on your computer monitor may not match Decor Centre samples due to the hardware/software configuration of the computer. In the event of conflict between selection images and the Décor Centre samples, Décor Centre samples shall prevail.
