### Dimensions

Width: 23.75" (60.3 cm)   Height: 33.6" (85.3 cm)   Depth: 24.6" (62.5 cm)

Enjoy an effortlessly clean kitchen with this LG dishwasher. QuadWash technology works to get the job done right the first time – four spray arms rotate back and forth while they spin to power-spray dishes from multiple angles. The EasyRack™ Plus introduces ultimate loading flexibility, and a handy third rack gives you more space

to fit everything from long flatware to larger cooking utensils. With a place for everything and unmatched cleaning coverage, this powerhouse dishwasher is a knight in shining stainless.

Unique Features

**EasyRack Plus and 3rd Rack:**

The newly-enhanced EasyRack Plus system provides outstanding flexibility and convenience, easily adjusted to just about any load of dishes to help ensure optimal cleaning performance. Plus, a third rack provides a space for cutlery, serving spoons, spatulas, tongs and more.

**QuadWash System:**

LG’s exclusive technology gets dishware spotless the first time. While standard washers only have two, this model features four multi-motion spray arms to blast away food residue from every angle.

**National Sanitation Foundation Certified:**

The NSF certification means you can feel confident that your family’s cutlery, glassware and plates have been safely sanitized – this appliance is certified to reduce bacteria found on dishes by 99.999% and reaches a final rinse temperature greater than 150 F when operated on the High Temp Cycle.

**Dynamic Dry™:**

No towel needed here – this technology delivers faster, more complete drying for ready-to-use dishes right from the machine.

**LoDecibel™ Operation:**

Now you can run the dishwasher whenever you want – day or night. The 48 dB cycle is whisper-quiet, so you won’t have to worry about interrupting post-dinner-party conversations or naptime.

**Smart Operation with ThinQ® and NFC Tag On Technology:**

The NFC tag-on touchpoint allows you to pair your appliance with LG’s ThinQ app with just a quick touch of your smartphone, where you can download new wash cycles as well as your own personalized cleaning settings. Plus, with Smart Diagnosis™, you can troubleshoot any maintenance issues quickly and efficiently.

**Dual Zone Wash:**

Gently clean your delicate dishes while power-washing heavy-duty pots and pans with Dual Zone Wash. This option allows you to vary the spray intensity

in the upper and lower racks, so each dish gets the power it needs for a pristine clean.

Turbo and Express Cycles:

For lightly or heavily soiled loads, there’s an option to get dishes clean in a flash. The Turbo Cycle will clean tough messes in just an hour using slightly more energy and water, while Express Cycle will quickly clean lightly soiled dishes in 33 minutes.
