TRINSIC®

Single Handle Pull-Down Kitchen Faucet

MODEL#: 9159-BL-DST

DV2- Lot 33- Kitchen Faucet

- Delta MagnaTite Docking holds spray wand firmly in place

Finish: **Matte Black**

Delta MagnaTite Docking uses a powerful integrated magnet to pull your faucet spray wand precisely into place and hold it there so it stays docked when not in use. Delta faucets with DIAMOND Seal Technology perform like new for life with a patented design which reduces leak points, is less hassle to install and lasts twice as long as the industry standard*. Kitchen faucets with Touch-Clean Spray Holes allow you to easily wipe away calcium and lime build-up with the touch of a finger. You can install with confidence, knowing that Delta faucets are backed by our Lifetime Limited Warranty. *Industry standard is based on ASME A112.18.1 of 500,000 cycles.

- MagnaTite Docking uses a powerful integrated magnet to snap your faucet spray wand precisely into place and hold it there so it stays docked when not in use and doesn't droop over time
- Soft, rubber Touch-Clean spray holes allow you to easily wipe away calcium and lime build-up with the touch of a finger
- DIAMOND Seal Technology is less hassle to install and helps your faucet perform like new for life, reducing leak points and lasting twice as long as the industry standard
- Everything you need is together in one convenient box, including integrated InnoFlex PEX supply lines
- 1 or 3-hole 8" installation
- Optional escutcheon available for purchase separately
- ADA Compliant
- The high-arc, gooseneck design swivels 360 degrees with a 20-in. retractable hose for added convenience during everyday kitchen tasks

MODEL#: R10000-UNBX

Inspired by the sleek elegance of modern European design, the Trinsic Bath Collection completes the look of any contemporary bath, from classic to rustic. Delta H2Okinetic Showers look different because they are different. Using advanced technology, H2Okinetic showers sculpt water into a unique wave pattern, giving you 3X the coverage of a standard shower head.* The end result is a shower that provides more coverage, more warmth and more intensity for a truly drenching shower experience. Delta pressure-balance valves use Monitor Technology to protect you and your family from sudden temperature changes. Matte Black makes a statement in your space, cultivating a sophisticated air and coordinating flawlessly with most other fixtures and accents. With bright tones, Matte Black is undeniably modern with a strong contrast, but it can complement traditional or transitional spaces just as well when paired against warm neutrals for a rustic feel akin to cast iron. Delta WaterSense labeled faucets, showers and toilets use at least 20% less water than the industry standard? saving you money without compromising performance.

- H2Okinetic Shower technology sculpts water into a unique wave pattern, forming a powerful drench spray
- Gives you the feeling of more water without using more water
- Monitor pressure balance valve keeps water temperature within a safe $\pm 3^{\circ}\text{F}$ ($\pm 1.6^{\circ}\text{C}$), helping to protect you from sudden changes in hot or cold water pressure
- Spray settings include: H2OKinetic spray
- H2Okinetic spray creates a shower with more warmth, coverage and intensity
- Trim kit only, must order MultiChoice Universal Valve separately to complete the unit
- ADA Compliant
- WaterSense labeled shower heads use at least 20% less water than the industry standard
