Description

This built-in all-refrigerator by Frigidaire Pro will provide tons of storage for all your items. This product features the EvenTemp cooli9ng system and the SpaceWise storage that maximizes the storage capacity. It also includes CrispSeal Plus drawers with auto humidity control as well as an internal water dispenser with PureSource Ultra II filter and PureAiar Ultra II filter. Its Smudge-Proof® stainless steel resists fingerprints and is easy to clean. The 42-step quality check ensures excellent performance. This product is covered by a 1-year limited warranty on parts and labour at home.

- Show-Stopping Professional Design, Upgrade to an eye-catching built-in look and customize your kitchen with an optional trim kit and the ability to place refrigerator and freezer together or apart based on your kitchen layout
- EvenTemp(TM) Cooling System, Keep your food fresh with our variable speed compressor that reacts quickly to temperature fluctuations and constantly circulates cold air throughout the fresh food compartment
- Help prevent produce from spoiling: advanced CrispSeal® Plus Crispers with Auto Humidity technology automatically removes excess moisture plus an added ethylene adsorber reduces the gas emitted by many fruits and vegetables that causes spoiling
- Impressive Storage Capacity, Store more of your family's favorites in this spacious refrigerator, which can easily fit up to 7 bags of groceries and eliminates the need for a second fridge in the garage or basement
- SpaceWise® Organization System, Easily organize your family's favorites with our metallic-trimmed glass shelves, spacious dark tinted door bins with metallic trim, large crisper drawer, and a full-width slide-out shelf
- Internal Water Dispenser, Pure, filtered water right from your refrigerator, while allowing for a clean exterior look
- PureSource Ultra® II Refrigerator Water Filter, Keep safe, great tasting water flowing with Frigidaire genuine filters u NSF certified to reduce contaminates, cuts back on plastic and saves the cost of bottled water
- PureAir Ultra® II Air Filter, Performs better than baking soda, capturing undesirable smells to keep your fridge fresher longer
- Smudge-Proof® Stainless Steel, Resists fingerprints and cleans easily

\$ 899.95

   
(mailto:https://www.frigidaire.com/subject=Frige&title=)

Product Description

Use this Frigidaire trim kit to take your kitchen to the next level. Built for professional twin refrigerators and freezers, this kit achieves a true built-in, luxurious look for your appliances. In brushed stainless steel, it has everything you need – top and side trim pieces, a grill and a reversible kick-plate. This kit can also accommodate a variety of sizes with a leveling system that is tailored to fit different opening heights up to 79 inches. This finishing touch bridges your kitchen’s functionality and decor.

Product Description

Store your frozen foods like the pro's with this spacious Frigidaire freezer. With a massive capacity of 18.6 cubic feet, you'll have plenty of room to cool your favourite frozen treats, veggies and leftovers. The Soft Freeze zone keeps items at a slightly higher temperature, perfect for ice cream bars or breads. Plus, the ice maker will keep you stocked up for every party. Elevate your kitchen decor by completing the look – add the matching refrigerator and compatible trim kit to achieve true built-in style.

Unique Features

Full-Sized Capacity:

Standing tall at almost 72 inches, this freezer boasts an impressive 18.6-cubic-foot capacity to fit all of your groceries.

True Built-In Look:

With its partner refrigerator and trim kit (sold separately), this appliance looks custom and professional.

Smudge-Proof®:

This stainless steel finish resists fingerprints and wipes down easily for an effortless clean.

PowerBright™ LED Lighting:

Powerful LED lighting illuminates every corner of your freezer, so no food gets pushed to the back and forgotten.

Soft Freeze Zone:

This drawer stays at a slightly warmer temperature than the rest of the interior, to keep items like ice cream from over-freezing.

Features

Show-Stopping Professional Design

Upgrade to an eye-catching built-in look with our beautiful single-door freezer and customize your kitchen with an optional trim kit and the ability to place refrigerator and freezer together or apart based on your kitchen layout.

Power Outage Assurance

Keep food frozen for over two days if there is a power outage with our superior tight seal that locks in cold air.

Frigidaire Professional 18.6 Cu. Ft. Single-Door Upright Freezer - FPFU19F8WF
SKU: FPFU19WF

\$ 3,299.95

EvenTemp™ Cooling System

Reduce freezer burn with our variable speed compressor that reacts quickly to temperature fluctuations and constantly circulates cold air throughout the freezer compartment.

SpaceWise® Organization System

Easily organize your family's favorites with our adjustable smudge-resistant stainless steel (metal?) shelving, movable full-width dark tinted door bins with metallic trim, divided bottom drawer, soft freeze drawer, and glide-out ice maker.

Auto-Close Doors

Avoid spoiled food and soupy ice cream with our auto-close doors, which ensure your doors are never left slightly open by automatically closing once the door is ajar 5" or less.

Smudge-Proof® Stainless Steel

Resists fingerprints and cleans easily.

Impressive Storage Capacity

Store more of your family's favorites in this spacious freezer, which can easily fit up to 6 bags of groceries and eliminates the need for a second freezer in the garage or basement. * As determined using standard size paper grocery bags

Door Ajar and High Temp Alarm

Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the freezer's temperature rises.

Built-In, Glide-Out Ice Maker

Always have ice on hand with our sleek, dual bin built-in ice maker that is easy to remove and can produce up to 4.5 pounds of ice per day.

Enhanced LED Lighting

Sleek, evenly distributed lighting enhances light distribution on targeted areas such as shelves and bins.

Elegant Digital Temperature Controls

Quickly adjust temperatures with an easily accessible premium-looking electronic control panel located inside the freezer, offering a streamlined look.

Single-Door Upright Freezer - FPFU19F8WF
SKU: FPFU19WF

42-Point Quality Check Ensures Strong Performance

Each freezer goes through a 42-point quality check to guarantee strong performance for years to come.
