Windemere

2 STOREY DETACHED

2416 Square Feet

As one of our most popular models, the Windemere has many fabulous features including double entry doors, open concept great room with gas fireplace, dining room and a large eat in kitchen. Beautiful and functional floor plan offers 3 or 4 bedrooms. Huge master has vaulted ceilings, walk in closet and a very large ensuite with corner soaker tub.

This home is also available with the luxury of a triple car garage if desired. Great basement layout with 3 piece rough in bath for future use.

Basement
Optional Finished
