RE: Laminat & Engineered Hardwood Flooring

RE: Address 43212 Manhattan

The undersigned acknowledges that they have been advised that failure to allow the installation of transition strips in doorways may result in the laminate/engineered hardwood flooring buckling. If this occurs within the warranty period, the flooring will be repaired; however the owner will be responsible for removing and replacing their furniture as required by the installers.

This waiver and release has been executed by the undersigned

at Barge this 26th day of September 2012
