Sept 20, 2012.

Architectural drawing by Frank Lloyd Wright.
A detailed architectural rendering of a residential complex, showing multiple buildings and units. Labels include "Building B.C.D - 1st Fl.", "Building B.C.D - 2nd Fl.", and "Building B.C.D - 3rd Fl.". A note at the bottom states: "All renderings are approximate and may be based on a different layout. All floor plans are approximate and subject to change without notice. Issues involving construction, architectural, legal, real estate, zoning, and other matters, relate to specific units and are subject to change. Manufactured homes, mobile homes, and recreational vehicles may require modification to conform to local zoning, building, insurance, utility, appearance and zoning codes. Subject to change by the City."
