MISCELLANEOUS

1 - If the Purchase selects an increased ceiling height over the Vendor's standard ceiling height, then the Purchaser acknowledges that as a result of the increased ceiling height various modifications to the interior and exterior of the dwelling unit may be 06Oct22 Note: made, including but not limited to, additional risers on the staircase(s), modifications to the layout,design, exterior elevation, door and window locations and size and/or structural components of the dwelling unit and the Purchaser hereby accepts such modifications which will be at the sole and unfettered discretion of the Vendor.	
1 - The Purchaser(s) acknowledge that all measurements and locations are approximate only and are subject to verification on site and may be adjusted to accommodate site conditions. Purchaser acknowledges that not all of the above modifications were 06Oct22 Note: available or offered to the Purchaser.	
1 - If the Purchaser has purchased or been provided with a 9 foot basement concrete pour (being an increase from the Vendor’s standard basement depth) the depth is measured from the top of footing to the top of foundation wall. 06Oct22 Note: The increased depth will result in increased ceiling height in various areas of the basement however, the Vendor makes no representation as to the ceiling height in the basement and the ceiling height will not be uniform. The Purchaser acknowledges that mechanical, electrical and other systems will require bulkheads and dropped ceilings in various locations in the basement if and when the Purchaser elects to finish the basement.
