Subject: Re: Rathwell Singles PH2 Lot 305

Good Morning Ariel,

This lot is part of the 2019 contract and a smoke detector is not included in the loft as standard. A CO2 is included in the Hall but an additional Smoke needs to be added in the Upgraded Bedroom where the loft used to be since it is now a closed in Bedroom. the Standard one Included in the Hall needs to remain therefore it cannot simply be Upgraded.

The Cost for an Additional smoke detector on the 2019 Contract Upgrades Price list is \$225.00

Thank you,

As discussed with Roger on this particular upgrade and as per the new 2020 Contract. Existing CO2 detector for the Loft area when is open at \$234.00. Now that the Bedroom Option is applied it upgrades to \$260 CO2 detector. So should it not be an upgraded cost only of \$26.00

Good Morning Ariel,

Please issue a PO for the following missing upgrades;

Upgrade Loft to Bedroom	\$225.00
Bonus: S&I (6) LED Pot Lights in Kitchen, Deleting the Std Fixture	\$60.00

The customer had told Jason the Loft on the Second Floor was to be a Bedroom and this is how it is shown on your Lot specific plans. The cost above is for the added Smoke detector.
Please advise ASAP if this should remain as a loft only.

Thank you,
