Hi Ariel,

It should be the stacked units with a stacking kit, not top load.

Thanks,

Good morning,

I reviewed the documents and the wording in the B1-A should have been revised for this layout of the 105 Mann. They are supposed to be stacked laundry units as per plan. Please revise the PO as requested below.

Thanks,

Hi,

Just received a call from Frank Lebel (Dufresne) regarding the Bungalow Mann DV2 H47 letting me know that the appliances which they were trying to deliver today were not the correct style. The laundry area is on the main floor in the Mann 2 Bedrooms & will only accept front load washer and dryer which must be stackable. Could you please resend correct P.O. to Dufresne.

Thank you,
