Subject: RE: Deerfield Village Phase 2 Block H-47

Good Afternoon Ariel,

The Price in Quote SS751 at \$449.00 was for the T5 Under Cabinet Lighting sold. Then we were asked to Upgrade the Under Cabinet Lighting to LED Stick Lights.

The cost for these LED Stick Lights would have been \$587.00 but since there was already a charge of \$449.00 on the Sales Quote (SS751), I requested an additional line on the PO for the additional cost to Upgrade to the Sticks \$138.00. **The LED Stick Lighting is more expensive than the T5 Lighting.**

The Pricing on the Sale (SS751) never changed as it had already been approved and I believe the decision to install LED Stick Lights in lieu of the sold T5 Under Cabinet Lighting was made by Valecraft and not the homeowners.

To conclude, the **Sale should remain at \$977.00** on the PO and we should also have an **additional line** on the **PO for the \$138.00 Upgrade to Stick Lights.**

Hope this helps clarify things.

Thank you,

From: Purchase Orders <PO@valecraft.com>

Purchase Order (-) has been revised to remove Walk-Out Condition that is on PO 0049171. Still want to clarify the change from T5 to LED light as per Line Item #16 towards Plan Code G. On original quote #SS751 price was \$449.00 that was towards the T5 lighting. Client went to LED lighting so the price was a difference of \$138.00. Which would have brought the cost for the Strip Lighting to \$311.00 for a total cost of \$839.00 towards the Electrical Quote, compared to \$977.00 on previous. Please verify on this asap want to have done before end of week.

Good Morning Ariel,

Please revise the Sale to it's original price. the \$138.00 cost difference for the LED Stick lighting is on top of the price charged for the T5 Lighting.
