GST/HST New Housing Rebate Application for Houses Purchased from a Builder

Use this form to claim your rebate if you bought a new house (including a residential condominium unit or a duplex) or a share of the capital stock of a co-operative housing corporation (co-op). Do not use this form if you built your house or hired someone to build it or purchased it as a rental property. Instead, use Form GST191, GST/HST New Housing Rebate Application for Owner-Built Houses, or Form GST524, GST/HST New Residential Rental Property Rebate Application.

Note
GST/HST registered builders claiming a Type 1A or 1B rebate can choose to file their application online along with their GST/HST return using GST/HST NETFILE at canada.ca/gst-hst-netfile or by using the "File a return" online service in My Business Account at canada.ca/my-cra-business-account. The rebate can also be filed online on its own using the "File a rebate" online service in My Business Account. Representatives can access these online services in Represent a Client at canada.ca/taxes-representatives. If you choose to file your application online, do not send us this form.

For more information, including instructions, required documentation for rebate application Types 2, 3, and 5, and the definition of a house, see "General information" on page 4 of this form. Your claim may be delayed or denied if this form is not completed in full, the rebate calculation is not correct, or the required documentation is not submitted with your application.
