17. The Purchaser covenants and agrees not to register this Agreement or notice of this Agreement or a caution, certificate of pending litigation, Purchaser's Lien, or any other document providing evidence of this Agreement against title to the Property, Unit or the Condominium and further agrees not to give, register, or permit to be registered any encumbrance against the Property, Unit or the Condominium. Should the Purchaser be in default of his obligations hereunder, the Vendor may, as agent and attorney of the Purchaser, cause the removal of notice of this Agreement, caution or other document providing evidence of this Agreement or any assignment thereof, from the title to the Property, Unit or the Condominium. In addition, the Vendor, at its option, shall have the right to declare this Agreement null and void in accordance with the provisions of paragraph 27 hereof. The Purchaser hereby irrevocably consents to a court order removing such notice of this Agreement, any caution, or any other document or instrument whatsoever from title to the Property, Unit or the Condominium and the Purchaser agrees to pay all of the Vendor's costs and expenses in obtaining such order (including the Vendor's Solicitor's fees on a solicitor and client basis).
18. The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, at any time prior to the Closing Date without the prior written consent of the Vendor, which consent may be arbitrarily withheld. The Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, and shall not be permitted to direct title to any other third parties.
- If the Purchaser should die prior to the Closing Date, the Vendor shall at its option be entitled to declare this Agreement null and void and upon so doing shall return all monies paid on account of the Purchase Price hereunder to the personal representatives of the Purchaser with interest as provided in the Act and without deduction, other than the cost of putting the premises back into their original state, except for reasonable wear and tear, and except for any extras ordered by the Purchaser.
19. The Purchaser covenants and agrees that he shall not object to nor oppose any official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), nor any other applications ancillary thereto relating to the development of the Property. The Purchaser further acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.
20. The Purchaser covenants and agrees that he shall not interfere with the completion of other units and the common elements by the Vendor. Until the Condominium is completed and all units sold and transferred the Vendor may make such use of the Condominium as may facilitate the completion of the Condominium and sale of all the units, including, but not limited to the maintenance of a sales/rental/administration office and model units, and the display of signs located on the Property.
21. All of the Purchaser's covenants, warranties and obligations contained in this Agreement shall survive the closing of this transaction, and shall remain in full force and effect notwithstanding the transfer of title of the Unit to the Purchaser.

Termination without Default

22. In the event this Agreement is terminated through no fault of the Purchaser, all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser; provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser as an Occupancy Fee or for optional upgrades, changes or extras ordered by the Purchaser. In no event shall the Vendor or its agents be liable for any damages or costs whatsoever and without limiting the generality of the foregoing, for any monies paid to the Vendor for optional upgrades, changes, extras, for any loss of bargain, for any relocating costs, or for any professional or other fees paid in relation to this transaction. This provision may be pleaded by the Vendor as a complete defence to any such claim.

Right of Entry

23. Notwithstanding the Purchaser occupying the Unit on the Occupancy Date or the Closing Date, as applicable, the Vendor or any person authorized by it shall be entitled at all reasonable times and upon reasonable prior notice to the Purchaser to enter the Unit and the common elements in order to make inspections or to do any work or replace therein or thereon which may be deemed necessary by the Vendor in connection with the Unit or the common elements and such right shall be in addition to any rights and easements created under the Act. A right of entry in favour of the Vendor for a period not exceeding five (5) years similar to the foregoing may be included in the Transfer/Deed provided on the Closing Date and acknowledged by the Purchaser at the Vendor's sole discretion.

Tarion Warranty Corporation

24. The Vendor covenants that upon completion of this transaction a warranty certificate for the Unit will be requested by the Vendor from the Tarion Warranty Corporation so that the certificate may be provided to the Purchaser at the time of the Pre-delivery Inspection (PDI). The Vendor further covenants to provide to the Condominium Corporation a similar warranty certificate with respect to the common elements, if applicable. These shall be the only warranties covering the Unit and the common elements. The Purchaser acknowledges and agrees that any warranties or workmanship or materials in respect of any aspect of the construction of the Condominium including the Unit, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the *ONHWP Act* and shall extend only for the time periods and in respect of those items expressly provided in the *ONHWP Act*.

Inspection of the Unit

25. The Purchaser agrees to inspect the Unit upon the Vendor's request and with a representative of the Vendor at a date and time set by the Vendor and at least five(5) to ten(10) days prior to the Occupancy/ Closing Date. The Purchaser agrees that only the Purchaser(s) or their signing designee(s) shall be present at this inspection. At the time of such inspection, the Purchaser, or their signing designate, shall execute a certificate of completion and possession ("CCP") and will be provided on a Pre-delivery Inspection Form a list of all outstanding items, defects in workmanship or materials and incomplete items in the Unit. Except as to those items specifically listed, the Purchaser shall be deemed to have acknowledged that the Unit has been substantially completed in accordance with this Agreement, and the Purchaser shall be deemed conclusively to have accepted the Unit. The Unit shall be deemed to be substantially completed when the interior work has been finished to the minimum standards allowed by the Municipality so that the Unit may be lawfully occupied notwithstanding that there remains other work within the Unit and/or common elements to be completed. The Purchaser shall not occupy the Unit until the Municipality has permitted same or consented thereto, if such consent is required, and the Occupancy Date shall be postponed until such required consent is given. The Purchaser shall not require the Vendor to provide or produce an occupancy permit, certificate or authorization from the Municipality, and the Purchaser shall satisfy himself or herself in this regard. The Purchaser acknowledges that failure to complete the common elements before the Occupancy Date shall not be deemed to be failure to complete the Unit, and the Purchaser agrees to complete this transaction notwithstanding any claim submitted to the Vendor and/or to Tarion Warranty Corporation in respect of apparent deficiencies or incomplete work provided, always, that such incomplete work does not prevent occupancy of the Unit as otherwise permitted by the Municipality.

The Purchaser shall not enter into the unit prior to the Occupancy/ Closing Date without the written consent of the Vendor.

Purchaser's Default

26. (a) Upon default of the Purchaser of any of the covenants, representations, warranties, acknowledgments and obligations to be performed under this Agreement including, without limitation, any and all covenants contained in the Occupancy Licence, and such default continues for five (5) days after written notice thereof has been given to the Purchaser or the Purchaser's Solicitor, by the Vendor or its Solicitor, then in addition to any other rights or remedies which the Vendor may have, the Vendor, at its option, shall have the right to declare this Agreement null and void and in such event all deposit monies paid hereunder (including all monies paid to the Vendor with respect to extras or changes to the Units ordered by the Purchaser) shall be the absolute property of the Vendor, in any event, and without prejudice to or limiting the rights of the Vendor, the Vendor may also claim for damages in excess of the deposit monies so retained by the Vendor. If the Purchaser has taken possession of the Unit, the Purchaser shall immediately vacate the Unit and the Vendor shall be at liberty to sell the Unit with or without re-entry. If the Vendor is required to pay any lien, execution or encumbrance to obtain a mortgage advance, the Purchaser shall reimburse the Vendor for all amounts and costs so paid.
- (b) Notwithstanding subparagraph (a) above, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which are due and payable by the Purchaser to the Vendor pursuant to this Agreement are not made and/or paid on the date due, then such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to Prime plus five (5%) percent per annum above the bank rate as defined in subsection 19(2) of Ontario Regulation 48/01 to the Act at the date of default.

Construction of Dwelling

27. The Purchaser acknowledges that the Condominium will be constructed to Ontario Building Code requirements at the time of issuance of the building permit. The Purchaser covenants and agrees the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor. The Vendor may, from time to time, change, vary or modify in its sole discretion or at the instance of any governmental authority or mortgagee, any elevations, building specifications or site plans of any part of the Condominium, to conform with any municipal or architectural requirements related to building codes, official plan or official plan amendments, zoning by-laws, committee of adjustment and/or land division committee decisions, municipal site plan approval or architectural control. Such changes may be to the plans and specifications existing at inception of the Condominium or as they existed at the time the Purchaser entered into this Agreement, or as illustrated on any sales brochures, models or otherwise. With respect to any aspect of construction, finishing or equipment, the Vendor shall have the right, without the Purchaser's consent, to substitute materials, for those described in this Agreement or in the plans or specifications or reverse layout, provided the substituted materials are in the judgment of the Vendor's architect, whose determination shall be final and binding, of equal or better quality. The Purchaser shall have no claim against the Vendor for any such changes, variances or modifications nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any such modifications.

Executions

28. The Purchaser agrees to provide to the Vendor's Solicitors on the Occupancy/ Closing Date a clear and up-to-date Execution Certificate confirming that no executions are filed at the local Land Titles Office against the individual(s) in whose name title to the Unit is being taken.

Risk

29. The Unit shall be and remain at the risk of the Vendor until the Closing Date. If any part of the Condominium is damaged before the Creating Documents are registered, the Vendor may in its sole discretion either terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor, if any, together with any interest required by law to be paid, or make such repairs as are necessary to complete this transaction, it being understood and agreed that all insurance policies and the proceeds thereof are to be for the benefit of the Vendor alone.

General

30. The Vendor shall provide a statutory declaration on the Closing Date that it is not a non-resident of Canada within the meaning of the *Income Tax Act (Canada)*.
31. The Vendor and Purchaser agree to pay the costs of registration of their own documents and any tax in connection therewith, provided the Purchaser shall pay the costs of registration of any charge/mortgage to be given or assumed pursuant to this Agreement.
32. The Vendor and the Purchaser agree that there is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property or supported hereby other than as expressed herein in writing.
33. This Offer and its acceptance is to be read with all changes of gender or number required by the context and the terms, provisions and conditions hereof shall be for the benefit of and be binding upon the Vendor and the Purchaser, and as the context of this Agreement permits, their respective heirs, estate trustees, successors and assigns.
34. (a) The Purchaser acknowledges that, notwithstanding anything contained in any brochures, drawings, plans, advertisements, or other marketing materials, or any statements made by the Vendor's sale representatives, there is no warranty or representation contained herein on the part of the Vendor as to the area of the Unit or any other matter. The Purchaser further acknowledges that any dimensions or other data shown on such marketing materials are approximate only and that the Purchaser is not purchasing the Unit on a price per square foot basis. Accordingly, the Purchaser shall not be entitled to any abatement or refund of the Purchase Price based on the precise area of the constructed Unit.
- (b) The Purchaser acknowledges that the size of the Unit as represented by the sales literature is measured in accordance Bulletin 22 of ONHWP, and accordingly, may differ from measurements made using the unit boundaries set out in the Declaration. NOTE: Actual usable floor space may vary from the stated floor area. Floor area measurements were calculated on the middle floor, such that units on lower floors may have less floor space due to thicker structural members, mechanical rooms, etc. while units on higher floors may have more floor space.
- (c) The Purchaser acknowledges that the sketch of the Unit set out in **Schedule "H"** is a preliminary sketch and that the finished unit may contain mechanical, structural and or electrical ducts and/or columns and heating and cooling bulkheads as required by the electrical, structural and/or mechanical engineers and the Unit will contain an air handler and hot water heater which will be subject to rental agreements and the charges for same shall be the responsibility of the Purchaser.
- (d) The parties waive personal tender and agree that tender, in the absence of any other mutually acceptable arrangement shall be validly made by the Vendor upon the Purchaser, by a representative of the Vendor attending at the Land Registry Office in which title to the Condominium is recorded at 12:00 noon on the Closing Date as the case may be and remaining there until 12:30 p.m. and is ready, willing and able to complete the transaction. In the event the Purchaser or his Solicitor fails to appear or appears and fails to close, such attendance by the Vendor's representative shall be deemed satisfactory evidence that the Vendor is ready, willing and able to complete the sale at such time. Payment shall be tendered by certified cheque drawn on any Canadian chartered bank; and

- (e) It is further provided that, notwithstanding subparagraph 34(a) hereof, in the event the Purchaser or his Solicitor advise the Vendor or its Solicitors, on or before the Closing Date, as applicable, that the Purchaser is unable or unwilling to complete the purchase or take occupancy, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his Solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.

36. In the event that the electronic registration system (hereinafter referred to as the **Teraview Electronic Registration System** or **TERS**) is operative in the applicable Land Titles Office in which the Property is registered, then at the option of the Vendor’s solicitor, the following provisions shall prevail, namely:

- (a) The Purchaser shall be obliged to retain a lawyer in good standing with the Law Society of Upper Canada to represent the Purchaser in connection with the completion of the transaction, and shall authorize such lawyer to enter into an escrow closing agreement with the Vendor’s solicitor on the latter’s standard form (hereinafter referred to as the Document Registration Agreement), establishing the procedures and timing for completing this transaction;
- (b) The delivery and exchange of documents, monies and keys to the Unit and the release thereof to the Vendor and the Purchaser, as the case may be:
 - (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registerable documentation); and

- (c) If the Purchaser’s lawyer is unwilling or unable to complete this transaction via TERS, in accordance with the provisions contemplated under the Document Registration Agreement, then said lawyer (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor’s solicitor, at such time on the scheduled Closing Date as may be directed by the Vendor’s solicitor or as mutually agreed upon, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor’s solicitor’s office, upon payment of a fee as determined by the Vendor’s solicitor, acting reasonably.
- (d) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Unit for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the vendor’s solicitor (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration.
- (e) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Unit may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original including electronic transmission through the Internet), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same to the recipient party by overnight courier sent the day of closing or within 7 business days of closing, if same has been so requested by the recipient party.

- 37. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.
- 38. The headings of this Agreement form no part hereof and are inserted for convenience of reference only.
- 39. Each of the provisions of this Agreement shall be deemed independent and severable and the invalidity or unenforceability in whole or in part of any one or more of such provisions shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Agreement, and in such event all the other provisions of this Agreement shall continue in full force and effect as if such invalid provision had never been included

Purchaser

Vendor

40. The Purchaser acknowledges that the Vendor may from time to time lease any and all unsold units in the Condominium for residential purposes and this paragraph shall constitute notice to the Purchaser as registered owner of the Unit after the Closing Date pursuant to the Act.
41. If any documents desired or required to be executed by the Purchaser in connection with this transaction are done so by the Purchaser's lawful attorney, then the Power of Attorney instrument must be provided in duplicate to the Vendor's solicitor, on or before the Closing Date, accompanied by a Statutory Declaration of the Purchaser's solicitor, unequivocally confirming that said Power of Attorney has not been revoked as of the Closing Date. On the Closing Date, the Purchaser's solicitor must arrange for registration of the Power of Attorney instrument in the Land Registry Office in which title to the Condominium is recorded, and provide a duplicate registered copy of said Power of Attorney to the Vendor's solicitor, together with a further Statutory Declaration that the Power of Attorney has not been revoked as at the Closing Date.

Notices

42. Any notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post or facsimile transmission to the attention of the Purchaser or to the Purchaser's Solicitor to their respective addresses indicated herein or to the address of the Unit after the Occupancy Date and to the Vendor at 210 – 1455 Youville Drive, Ottawa, Ontario, K1C 6Z7 or to the Vendor's Solicitor at the address indicated in this Agreement or such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand or one day following facsimile transmission and upon the third day following posting, excluding Saturdays, Sundays and holidays.

Cause of Action

43. The Purchaser shall not have any claim or cause of action (as a result of any matter or thing arising under or in connection with this Agreement) against any person or other legal entity, other than the person or entity named as the Vendor in this Agreement, even though the Vendor may be found to be a nominee or agent of another person, firm, corporation or other legal entity and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action or proceeding brought by the Purchaser to assert any of such rights, claims or causes of action.

Economic Viability

44. Notwithstanding the provisions of paragraph 2 hereof, the completion of the transaction contemplated by this Agreement is conditional upon the Vendor being satisfied on or before December 1, 2019, in its sole and absolute discretion, with the economic feasibility and viability of proceeding with sales of units in the development, failing which this Agreement shall be null and void and the deposit or deposits returned to the Purchaser with interest in accordance with the Act and without deduction, and this condition shall be deemed satisfied and waived by the Vendor in the event that the Vendor does not post or deliver notice to the contrary to the Purchaser or his Solicitor on or before December 1, 2019, provided the Vendor may unilaterally extend this condition for not more than two (2) periods of up to three (3) months each and provided the Vendor gives notice post-marked on or before the expiry of this condition or any renewal thereof. The Purchaser further acknowledges that these conditions are for the sole benefit of the Vendor and may be waived by the Vendor at its sole and absolute discretion at any time in whole or in part without notice to the Purchaser.

Notice/Warning Provisions

45. The Purchaser acknowledges that the Condominium will be developed in accordance with requirements which may be imposed by the City of Ottawa together with any regional, provincial, federal and/or other governmental authorities or agencies which may have jurisdiction over the Condominium including without limitation and the Ministry of the Environment (the "Governmental Authorities") and that the proximity of the Condominium to major roadways, may result in noise exposure levels exceeding the noise criteria established by the Governmental Authorities and despite inclusion of noise control features in the Condominium, if necessary, noise and vibration levels from any of the aforementioned sources may continue to be of concern, occasionally interfering with some activities of dwelling owners in the Condominium. The Governmental Authorities, or their successors and assigns, have rights-of-way or lines within 300 meters of the Property. There may be alterations to, or expansion of the facilities on such right-of-way or lines in the future, including the possibility that the Governmental Authorities, or their successors and assigns, may expand their operations, which expansion may affect the living environment of the residents in the vicinity, notwithstanding the inclusion of any noise and vibration attenuating measures in the design of the development and individual dwellings. The Governmental Authorities and the Vendor will not be responsible for any complaints arising from the use of such facilities or operations on, over, or under the said rights-of-way. Notwithstanding the foregoing, the Purchaser agrees to complete the purchase transaction and acknowledges and agrees that warning clauses similar to the foregoing, subject to amendment and enlargement by any wording or text recommended by the Vendor's noise consultants or by any of the Governmental Authorities may be applicable to the Condominium and/or may be registered on title to the Condominium and if required, the Purchaser agrees to acknowledge any such warning clauses.

Pre-Approval

46. This Agreement is conditional upon the Vendor being satisfied, in its sole and absolute discretion with the credit worthiness of the Purchaser. The Vendor shall have ten (10) days from the date of acceptance of this Agreement by the Vendor to satisfy itself with respect to such credit worthiness. This condition is included for the sole benefit of the Vendor and may be waived by it, at its sole option, at any time. The Purchaser covenants and agrees to provide all requisite information and materials including proof respecting income and source of funds as the Vendor may require to determine the Purchaser's credit worthiness within ten (10) days of a written request for same from the Vendor.

Purchaser

Purchaser

Vendor

The Vendor must notify the Purchaser in writing that this condition has not been waived or satisfied prior to midnight on the 10th day following the date of acceptance of this Agreement by the Vendor, failing which the Vendor shall be deemed to have waived said condition and this Agreement shall be firm and binding. If the Vendor so notifies the Purchaser in writing that the condition has not been satisfied or waived, this Agreement shall be null and void and all deposit monies shall be returned to the Purchaser in full without deduction and together with any interest required by law to be paid. The Purchaser acknowledges that it may be necessary for the Vendor to obtain credit or other information in order to satisfy itself as to the Purchaser's credit worthiness and authorizes the Vendor to obtain any consumer reports or other information it may require and any consumer reporting agency or credit bureau is hereby authorized to release such information as the Vendor may request.

Vendor not Registered Owner

47. It is understood and agreed by the parties hereto that the Vendor may not be the registered owner of the property on closing, and if such is the case, the Vendor hereby warrants that it has (or will have by the closing date) the unconditional ability and authority to cause and direct registered title to the property to be conveyed from the registered owner thereof directly to and in favour of the Purchaser, and the Purchaser correspondingly agrees to accept title from the registered owner of the property (and to accept such owner's title covenants in lieu of the Vendor's), in the event that the Vendor is not the registered owner of the property on closing.

Development Charges

Purchaser

Vendor

- The Purchaser acknowledges that:
1. Prices and specifications which do not form part of this Agreement are subject to change without notice at the sole discretion of the vendor.
 2. The vendor may substitute materials of equal or greater value without consent.
 3. The Vendor has the right to exercise full architectural control over exterior finishes and as such, the Vendor shall have final approval of all colour selections.
 4. All colour and material selections are to be made from Vendor's standard samples unless otherwise paid for as an upgrade.
 5. The purchaser understands that all decorator items, furnishings, appliances, draperies, painted colour walls, and floors, wallpaper, panelling, alarm system, central air conditioning and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price.
 6. Service location, tankless hot water heater and furnace location, specifications and material finishes may vary from model homes/ plans.
 7. The number of steps required at entrances into the building may vary from the plans depending on grading requirements.
 8. The purchaser understands that renderings and brochures are an artist's concept and that some variations may occur to the final finished product.
 9. The Purchaser understands that vertical and horizontal chaseways may be required at wall corners and ceiling corners respectively in order to contain mechanical pipes as required.
 10. The Purchaser understands that all Multi Media locations are approximate and vary from chosen locations.
 11. The purchaser understands that due to normal manufacturing production materials which are installed in their home may vary slightly in colour from the vendor's samples and/or model homes.
 12. Due to the natural composition of such materials as Granite and Marble, inherent variations in texture, colour and consistency are to be expected and considered normal. As such, the Purchaser agrees not to hold the Vendor liable for such variations.
 13. The wood used in the finishing products of your home such as wood flooring, cabinetry exhibit natural variations in colour tone, graining pattern and consistency. As no two pieces of wood are identical, these natural variations will create colour variations upon staining thereby making it virtually impossible to achieve true colour consistency.
 14. Any hardwood flooring installed in the Real Property is made of kiln-dried natural material which is subject to natural shrinkage (typically in winter when humidity levels tend to be low) and expansion (typically in summer when humidity levels tend to be high) for which the Purchaser(s) agrees is not the responsibility of the Vendor and agrees that the Vendor shall not be liable in respect of such issues. The Purchaser(s) also acknowledges being advised by the Vendor that ceramic tile rather than hardwood flooring is recommended at entry points to the home due to the possibility of water exposure. The Purchaser(s) is advised that the Ontario Building Code recommends against the installation of wood flooring in kitchens, bathrooms, entrance halls, laundry, and general storage areas (the "Designated Areas"). Wood flooring is water permeable and over time such flooring and sub-flooring beneath it could deteriorate if moisture persists. Should the Purchaser(s) selections for materials for the dwelling include wood flooring in the designated areas, the Purchaser(s) assumes the risks described herein voluntarily.
 15. Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).
 16. Purchaser(s) acknowledge that High Efficiency Washing machines have the potential to create vibrations due to the tub spinning at very high speeds.

1. Critical Dates

The **First Tentative Occupancy Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is: the 17 day of February, 2022.

The Vendor can delay Occupancy on one or more occasions by setting a subsequent **Tentative Occupancy Date**, in accordance with section 1 of the Addendum by giving proper written notice as set out in section 1.

By no later than 30 days after the Roof Assembly Date (as defined in section 12), with at least 90 days prior written notice, the Vendor shall set either (i) a **Final Tentative Occupancy Date**; or (ii) a **Firm Occupancy Date**.

For purchase agreements signed after the Roof Assembly Date, the First Tentative Occupancy Date is inapplicable and the Vendor shall instead elect and set either a Final Tentative Occupancy Date or Firm Occupancy Date.

the ____ day of _____, 20____.
Final Tentative Occupancy Date

or

the ____ day of _____, 20____.
Firm Occupancy Date

If the Vendor sets a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date, then the Vendor shall set a **Firm Occupancy Date** that is no later than 120 days after the Final Tentative Occupancy Date, with proper written notice as set out in section 1 below.

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Occupancy Date which cannot be later than the Outside Occupancy Date.

The **Outside Occupancy Date**, which is the latest date by which the Vendor agrees to provide Occupancy, is: the 19 day of July, 2022.

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser’s consent, may delay Occupancy one or more times in accordance with section 1 of the Addendum and no later than the Outside Occupancy Date. Notice of a delay beyond the First Tentative Occupancy Date must be given no later than: the 19 day of November, 2021.

(i.e., at least **90 days** before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

3. Purchaser’s Termination Period

If the home is not complete by the Outside Occupancy Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the **“Purchaser’s Termination Period”**), which period, unless extended by mutual agreement, will end on: the 18 day of August, 2022.

If the Purchaser terminates the transaction during the Purchaser’s Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

Acknowledged this 26th day of January, 2021.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Occupancy Dates and the Firm Occupancy Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the Building subject to all prescribed requirements, to provide Occupancy of the home without delay, and, to register without delay the declaration and description in respect of the Building.
- (b) **First Tentative Occupancy Date:** The Vendor shall identify the First Tentative Occupancy Date in the Statement of Critical Dates attached to this Addendum at the time the Purchase Agreement is signed.
- (c) **Subsequent Tentative Occupancy Dates:** The Vendor may, in accordance with this section, extend the First Tentative Occupancy Date on one or more occasions, by setting a subsequent Tentative Occupancy Date. The Vendor shall give written notice of any subsequent Tentative Occupancy Date to the Purchaser at least 90 days before the existing Tentative Occupancy Date (which in this Addendum may include the First Tentative Occupancy Date), or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. A subsequent Tentative Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (d) **Final Tentative Occupancy Date:** By no later than 30 days after the Roof Assembly Date, the Vendor shall by written notice to the Purchaser set either (i) a Final Tentative Occupancy Date; or (ii) a Firm Occupancy Date. If the Vendor does not do so, the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Vendor shall give written notice of the Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, to the Purchaser at least 90 days before the existing Tentative Occupancy Date, or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, can be any Business Day on or before the Outside Occupancy Date. For new Purchase Agreements signed after the Roof Assembly Date, the Vendor shall insert in the Statement of Critical Dates of the Purchase Agreement either: a Final Tentative Occupancy Date; or a Firm Occupancy Date
- (e) **Firm Occupancy Date:** If the Vendor has set a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date then the Vendor shall set a Firm Occupancy Date that is no later than 120 days after the Final Tentative Occupancy Date. The Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the Final Tentative Occupancy Date, or else the Final Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Firm Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (f) **Notice:** Any notice given by the Vendor under paragraph (c), (d) or (e) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the “Firm Occupancy Date” for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
 - (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (i), (j) and (k) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (i), (j) and (k) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ☐ Yes ☐ No
- (d) If the answer in (c) above is “Yes”, then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed “Early Termination Conditions”:

Condition #1 (if applicable)

Description of the Early Termination Condition:

N/A

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the ____day of_____, 20 ____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

N/A

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the ____day of _____, 20 ____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Occupancy Date, and will be deemed to be 90 days before the First Tentative Occupancy Date if no date is specified or if the date specified is later than 90 days before the First Tentative Occupancy Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (k) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.

- (i) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act* and, if applicable, registration of the declaration and description for the Building under the *Condominium Act, 1998*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (j) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (k) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the “Purchaser Occupancy Obligations”):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an “Occupancy Permit” means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period, then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor’s delay in providing Occupancy alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs(a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

HARMONIZED SALES TAX AND NEW HOUSING REBATE

1. The parties acknowledge that as at the date of this Agreement, Harmonized Sales Tax ("HST") is applicable to this transaction pursuant to the Excise Tax Act (Canada) (the "**Legislation**") and that, the Purchaser may qualify for the GST/HST new housing rebate (as is authorized by the Legislation from time to time) (**the "New Housing Rebate"**) in respect of this transaction.
2. The Purchaser is hereby advised that the Purchase Price listed in "Purchase Price" Section of this Agreement includes all HST and the New Housing Rebate applicable to this transaction (refer to maximum rebate allowance in Clause 8) as at the date this Agreement is signed by the parties. All sales taxes applicable to the transaction (including any applicable New Housing Rebate) will be calculated as of the closing of the subject transaction and will be applied in accordance with the Legislation. In the event that there is a change to the Legislation after the execution of this Agreement but prior to the closing of this transaction, the Vendor shall make all applicable adjustments to the sales taxes payable in this transaction in accordance with all applicable Legislation.
3. The Purchaser hereby irrevocably assigns to the Vendor the benefit of the New Housing Rebate, if applicable to this transaction.
4. The Purchaser hereby warrants and agrees that:
- (a) The Real Property is being purchased as the Purchaser's primary place of residence and that the Purchaser will take possession and occupy the Dwelling forthwith upon closing and will not allow occupancy of the Dwelling by any other individual (other than the Purchaser's immediate family) as a place of residence prior to occupancy by the Purchaser;

(b) Purchaser will execute and deliver on closing such documents as the Vendor may require to confirm the warranties and agreements contained in this Schedule; and

(c) Purchaser will submit to the Vendor on closing, prior to or after closing at the Vendor's request, an application or applications in the manner and in the form prescribed containing prescribed information required by the Legislation for the New Housing Rebate
5. The Purchaser acknowledges that the Vendor has calculated the Purchase Price on the assumption that the New Housing Rebate will be applicable to this transaction. If for any reason the Purchaser does not qualify for the New Housing Rebate, then the Purchaser shall be fully responsible for paying to the Vendor the amount of such New Housing Rebate plus interest at the Bank of Montreal prime rate from the date the statement of adjustments is calculated plus any fees, penalties or damages imposed on the Vendor under the Legislation. For greater certainty, the Purchaser acknowledges that the New Housing Rebate described above is for individuals buying a new house or residential condominium as a primary place of residence for themselves or a relation. It does not include the rebate for HST which may be available to investors buying a new house or residential condominium as a rental property (the **GST/HST "New Residential Rental Property Rebate"**). If the Property is being purchased for investment purposes, the Purchaser will not qualify for the New Housing Rebate and the Purchaser shall be responsible for paying to the Vendor an amount equal to the New Housing Rebate which has been included in the Purchase Price hereunder. All Purchasers buying a new house or residential condominium as a rental property are responsible for applying for the New Residential Rental Property Rebate after the closing of the subject transaction.

6. The Purchaser acknowledges and agrees that the Purchase Price set forth in this Agreement has been arrived at on the basis that the Purchase Price includes all Extras, premiums and bonuses and excludes any Extras ordered pursuant to a Change Order following the date of execution of this Agreement. The Purchaser acknowledges that the purchase of additional Extras following the date of execution of this Agreement may push the Purchase Price of the Real Property into a different sales tax category for the purposes of determining the amount of the New Housing Rebate, and that this may lower the amount of said New Housing Rebate applicable to the transaction. If a reduced New Housing Rebate is applicable under the Legislation due to the purchase of Extras following the date of execution of this Agreement, the Purchaser agrees to compensate the Vendor for the, amount by which the New Housing Rebate used to calculate the Purchase Price listed in the "Purchase Price" section herein exceeds the actual applicable New Housing Rebate, such amount to be credited to the Vendor as an adjustment on closing.
7. The Parties acknowledge that for purposes of Land Transfer Tax, the total consideration to be inserted in the Transfer/Deed of Land for this transaction shall be the total Purchase Price including Extras excluding HST and the New Housing Rebate, namely the amount of \$335,677.76 . TERMS OF OCCUPANCY LICENCE

1. If the Declaration and Description are not registered on or before the Occupancy Date, then the Purchaser will, on the Occupancy Date, pay to the Vendor the sums set out in section 1(b) of this Agreement, provided the Purchaser will have the right to defer the remaining amount of the purchase price which the Purchaser intends to mortgage (the "Unpaid Balance"), and the Purchaser will take occupancy of the Property up until the Date of Closing (the "Interim Occupancy Period"). The Purchaser is required to provide the Vendor with a copy of his mortgage commitment from his financial institution confirming the Unpaid Balance, failing which the Vendor shall be entitled to declare the Agreement null and void.
2. The Purchaser shall pay to the Vendor the Occupancy Fee calculated as follows:
- (a) the amount of interest payable in respect of the unpaid balance of the Purchase Price at the prescribed rate;
 - (b) an amount reasonably estimated by the Vendor on a monthly basis for municipal realty taxes attributable by the Vendor to the Unit; and
 - (c) the projected monthly common expense contribution for the Unit;

as an occupancy charge on the first day of each month in advance during the Interim Occupancy period, no part of which shall be credited as payments on account of the Purchase Price, but which payments shall be a charge for occupancy only. If the Occupancy Date is not the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month. The Purchaser shall deliver to the Vendor on or before the Occupancy Date a series of post-dated cheques as required by the Vendor for payment of the estimated monthly Occupancy Fee. The Occupancy Fee may be recalculated by the Vendor, from time to time based on revised estimates of the items which may be lawfully taken into account in the calculation thereof and the Purchaser shall pay to the Vendor such revised Occupancy Fee following notice from the Vendor. With respect to taxes, the Purchaser agrees that the amount estimated by the Vendor on account of municipal realty taxes attributed to the Unit shall be subject to recalculation based upon the real property tax assessment or reassessment of the Units and/or Condominium, issued by the municipality after the Closing Date and the municipal tax mill rate in effect as at the date such assessment or reassessment is issued. The Occupancy Fee shall thereupon be recalculated by the Vendor and any amount owing by one party to the other shall be paid upon demand. The Purchaser acknowledges that the property tax portion of the Occupancy Fee is in accordance with section 80(4) of the *Condominium Act*, subject to adjustments in accordance with sections 80(8) and 80(9) of the *Condominium Act*.

3. The Purchaser shall be allowed to remain in occupancy of the Unit during the Interim Occupancy period provided the terms of this Occupancy Licence and the Agreement have been observed and performed by the Purchaser. In the event the Purchaser breaches the terms of occupancy the Vendor in its sole discretion and without limitation of any other rights or remedies provided for in this Agreement or at law may terminate this Agreement and revoke the Occupancy Licence whereupon the Purchaser shall be deemed a trespasser and shall give up vacant possession forthwith. The Vendor may take whatever steps it deems necessary to obtain vacant possession and the Purchaser shall reimburse the Vendor for all costs it may incur.
4. At or prior to the time that the Purchaser takes possession of the Unit, the Purchaser shall execute and deliver to the Vendor any documents, directions, acknowledgments, assumption agreements or any and all other documents required by the Vendor pursuant to this Agreement, in the same manner as if the closing of the transaction was taking place at that time.

Purchaser

Purchaser

5. The Purchaser shall pay the monthly Occupancy Fee during Interim Occupancy and the Vendor shall return all unused post-dated Occupancy Fee cheques to the Purchaser on or shortly after the Closing Date.
6. The Purchaser agrees to maintain the Unit in a clean and sanitary condition and not to make any alterations, improvements or additions thereto without the prior written approval of the Vendor which shall not be unreasonably withheld. The Purchaser shall be responsible for all utility, telephone expenses, cable television service, or other charges and expenses billed directly to the occupant of the Unit by the supplier of such services and not the responsibility of the Corporation under the Condominium Documents.
7. The Purchaser's occupancy of the Unit shall be governed by the provisions of the Condominium Documents and the provisions of this Agreement. The Unit may only be occupied and used in accordance with the Condominium Documents and for no other purpose.
8. The Vendor covenants to proceed with all due diligence and dispatch to register the Condominium Documents. If the Vendor for any reason whatsoever is unable to register the Condominium Documents and therefore is unable to deliver a registerable Transfer/Deed to the Purchaser within fifteen (15) months after the Closing Date, the Purchaser or Vendor shall have the right after such fifteen (15) month period to give sixty (60) days written notice to the other, of an intention to terminate the Occupancy Licence and this Agreement. If the Vendor and Purchaser consent to termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to such date, after which this Agreement and Occupancy Licence shall be terminated and all moneys paid to the Vendor on account of the Purchase Price shall be returned to the Purchaser together with interest required by the Act, subject however, to any repair and redecorating expenses of the Vendor necessary to restore the Unit to its original state of occupancy, reasonable wear and tear excepted. The Purchaser and Vendor each agree to provide a release of this Agreement in the Vendor's standard form. If the Vendor and Purchaser do not consent to termination, the provisions of Section 79(3) of the Act may be invoked by the Vendor.
9. The Vendor and the Purchaser covenant and agree, notwithstanding the taking of possession, that all terms hereunder continue to be binding upon them and that the Vendor may enforce the provisions of the Occupancy Licence separate and apart from the purchase and sale provisions of this Agreement.
10. The Purchaser acknowledges that the Vendor holds a fire insurance policy on the Condominium including all aspects of a standard unit only and not on any improvements or betterments made by or on behalf of the Purchaser. It is the responsibility of the Purchaser, after the Occupancy Date to insure the improvements or betterments to the Unit and to replace and/or repair same if they are removed, injured or destroyed. The Vendor is not liable for the Purchaser's loss occasioned by fire, theft or other casualty, unless caused by the Vendor's willful conduct.
11. The Purchaser agrees to indemnify the Vendor for all losses, costs and expenses incurred as a result of the Purchaser's neglect, damage or use of the Unit or the Condominium, or by reason of injury to any person or property in or upon the Unit or the Condominium resulting from the negligence of the Purchaser, members of his immediate family, servants, agents, invitees, tenants, contractors and licensees. The Purchaser agrees that should the Vendor elect to repair or redecorate all or any part of the Unit or the Condominium as a result of the Purchaser's neglect, damage or use of the Unit or Condominium, he will immediately reimburse the Vendor for the cost of doing same, the determination of need for such repairs or redecoration shall be at the discretion of the Vendor, and such costs may be added to the Purchase Price.

REV: January 5, 2021

12. In accordance with clause 80(6)(d) and (e) the Act, subject to strict compliance by the Purchaser with the requirements of occupancy set forth in this Agreement, the Purchaser shall not have the right to assign, sublet or in any other manner dispose of the Occupancy Licence during the Interim Occupancy Period without the prior written consent of the Vendor and, if applicable, a mortgagee, which consent may be arbitrarily withheld. The Purchaser acknowledges that an administrative fee will be payable to the Vendor each time the Purchaser wishes to assign, sublet or dispose of the Occupancy License during the Interim Occupancy period.
13. The provisions set forth in this Agreement, unless otherwise expressly modified by the terms of the Occupancy Licence, shall be deemed to form an integral part of the Occupancy Licence. In the event the Vendor elects to terminate the Occupancy Licence pursuant to this Agreement following substantial damage to the Unit and/or the Condominium, the Occupancy Licence shall terminate forthwith upon notice from the Vendor to the Purchaser. If the Unit and/or the Condominium can be repaired within a reasonable time following damages as determined by the Vendor (but not, in any event, to exceed one hundred and eighty (180) days) and the Unit is, during such period of repairs uninhabitable, the Vendor shall proceed to carry out the necessary repairs to the Unit and/or the Condominium with all due dispatch and the Occupancy Fee shall abate during the period when the Unit remains uninhabitable; otherwise, the Purchaser shall vacate the Unit and deliver up vacant possession to the Vendor and all moneys, to the extent provided for in paragraph 21 hereof (excluding the Occupancy Fee paid to the Vendor) shall be returned to the Purchaser together with interest required by the Act. It is understood and agreed that the proceeds of all insurance policies held by the Vendor are for the benefit of the Vendor alone.

Valecraft Homes Ltd. continues to provide the best in class sales and service. We recognize the importance of your home to you, our valued customer.

Granite & Variegated Quartz countertops are an elegant addition to your home. However, there are some things of which you should be aware.

Due to the natural composition of **Granite**, inherent variations in texture, colour and consistency are to be expected and considered as normal.

During the process of manufacturing **Variegated Quartz** to achieve a more natural stone look, variations in the appearance between the sample & the slab are to be expected.

Valecraft Homes Limited strongly suggests that you attend an appointment with our granite/quartz supplier two to three months prior to closing to view the granite/variegated quartz slabs available in the colour you have already chosen. A representative from our supplier will contact you to set up a mutual date & time for the appointment.

I/we, Stephanie Asenso
have read and fully understand the aforementioned recommendation set forth by the builder and as such hereby release VALECRAFT HOMES LIMITED from future responsibility with respect to a variation in colour of granite countertops.
