Valecraft Homes Limited continues to provide the best in class sales and service. We recognize the importance of your home to you, our valued customer.

Granite & Variegated Quartz countertops are an elegant addition to your home. However, there are some things of which you should be aware.

Due to the natural composition of **Granite**, inherent variations in texture, colour and consistency are to be expected and considered as normal.

During the process of manufacturing **Variegated Quartz** to achieve a more natural stone look, variations in the appearance between the sample & the slab are to be expected.

Valecraft Homes Limited strongly suggests that you attend an appointment with our granite/quartz supplier two to three months prior to closing to view the granite/variegated quartz slabs available in the colour you have already chosen. A representative from our supplier will contact you to set up a mutual date & time for the appointment.

I/we, Lawrence Silber

have read and fully understand the aforementioned recommendation set forth by the builder and as such hereby release VALECRAFT HOMES LIMITED from future responsibility with respect to a variation in colour of granite/ variegated quartz countertops.
