Valecraft Homes (2019) Limited continues to provide the best in class sales and service. We recognize the importance of your home to you, our valued customer.

Granite & Variegated Quartz countertops are an elegant addition to your home. However, there are some things of which you should be aware.

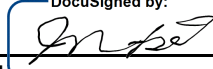

Due to the natural composition of **Granite**, inherent variations in texture, colour and consistency are to be expected and considered as normal.

During the process of manufacturing **Variegated Quartz** to achieve a more natural stone look, variations in the appearance between the sample & the slab are to be expected.

Valecraft Homes (2019) Limited strongly suggests that you attend an appointment with our granite/quartz supplier two to three months prior to closing to view the granite/variegated quartz slabs available in the colour you have already chosen. A representative from our supplier will contact you to set up a mutual date & time for the appointment.

I/we, Craig Nisbet & Jacqueline M. Nisbet
have read and fully understand the aforementioned recommendation set forth by the builder and as such hereby release VALECRAFT HOMES (2019) LIMITED from future responsibility with respect to a variation in colour of granite/ variegated quartz countertops.
