Notwithstanding the foregoing, the Purchaser acknowledges and accepts that the length of time for the Purchaser's selections that occurs beyond receipt of notification from the Vendor may give rise to the need of the Vendor to exercise its unilateral right to extend the Closing in accordance with the provisions of the *Ontario New Home Warranties Plan Act*. Once the selections have been initially made, there will be no changes in such selections permitted unless authorized in writing by the Vendor and the cost of any change shall be \$300.00 plus HST plus any additional material or equipment costs.

It is further agreed that in the event any Extras have been omitted for any reason, the Vendor, in its sole discretion, shall be entitled to complete the Extras after the Closing, or alternatively, refund to the Purchaser after the Closing, the full amount paid by the Purchaser for such Extras. In any event, the Vendor's liability hereunder shall be limited to the amount paid by the Purchaser for such Extras and this provision shall survive the Closing of this transaction.
7. **Pre-Delivery Inspection:** The Purchaser acknowledges that the pre-occupancy inspection is the only opportunity the Purchaser will have to inspect the dwelling accompanied by a representative of the Vendor prior to Closing and that if the Purchaser is arranging independent mortgage financing, any applicable lenders or their appraisers, inspectors or authorized representatives will not have access to the dwelling other than at the time of the pre-occupancy inspection (the "Pre-Delivery Inspection"). Except only for such right of Pre-Delivery Inspection, the Purchaser and the Purchaser's agents, invitees and licensees shall not enter on, upon or into the land prior to Closing, or do, or permit to be done, any work and or/supply of any material to the Land before Closing. The Purchaser shall indemnify and save harmless the Vendor and those for whom it is in law responsible, from any action, cause of action, claim, suit cost, demand, damage and/or loss which may be caused and/or contributed to by the Purchaser or any of the Purchaser's friends, relatives, invitees, workers and/or agents who enter into or on the Land whether with or without the express or implied authorization of the Vendor. During the Pre-Delivery Inspection, any items remaining to be completed shall be listed on a Certificate of Completion and Possession (the "Certificate") required to be completed pursuant to the provisions of the Ontario New Home Warranties Plan Act. The Certificate shall be executed forthwith upon such Pre-Delivery Inspection. The parties further agree and acknowledge that only items not yet completed at the time of such Pre-Delivery Inspection together with any mutually agreed deficiencies shall be listed on the Certificate and the Certificate shall constitute the Vendor's only undertaking with respect to incomplete or deficient work. The most current edition of the document entitled Homeowner Information Package, published by the Tarion Warranty Corporation will be delivered to the Purchaser at the Pre-Delivery Inspection, as a PDF on a USB key. The Purchaser shall sign and deliver to the Vendor a confirmation of receipt of the said Homeowner Information Package.

c) the covenants, restrictions and acknowledgement set forth in Schedule A which may be amended to reflect the requirements of any agreement entered into with the Township;

d) any retaining wall located on the Real Property as may be required by the Township or other authority to reduce the slope of the Lands; and

e) any further restrictions, conditions or covenants that run with the Land, provided same have been complied with.

The Purchaser is not to call for production of any title deed, abstract or other evidence of title except such as are in the possession of the Vendor and the Vendor shall not be required to produce evidence of compliance with any of the aforementioned easements, agreements, restrictions, conditions or covenants and the Purchaser shall satisfy himself with respect to same. The Purchaser is to be allowed until fifteen (15) days prior to Closing, to investigate the title to the Real Property at his own expense. If, within that time, any valid objection to title is made in writing to the Vendor, which the Vendor shall be unable or unwilling to remove, and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations in respect of such objection, be null and void, and the deposit monies paid by the Purchaser hereunder shall be returned by the Vendor without interest or deduction and the Vendor shall not be liable for any other costs or damages whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.

9. **Easements:** In the event that any of the easements referred to in the foregoing paragraph have not been granted by Closing, the Purchaser covenants and agrees with the Vendor to execute any usual and reasonable grant or grants of easement over or under the Land herein required by The City of Ottawa or other authority including Ontario Hydro, Hydro One, Bell Canada, Enbridge Consumers' Gas, Rogers Communications Inc., or any public authority or utility relating to drainage or other joint service or public purpose during a period of five (5) years from Closing, which covenant shall survive Closing, provided that said easement does not interfere with the dwelling constructed on the Real Property.
10. **Discharge of Prior Mortgages:** The Purchaser acknowledges that the Real Property on Closing may be encumbered by one or more mortgages which are not intended to be assumed by the Purchaser and the Purchaser further agrees that the Vendor shall not be required to obtain and register discharges of any such mortgages with respect to the Real Property until a reasonable time after Closing, provided that if the mortgage is held by a corporation incorporated pursuant to the Trust And Loan Companies Act (Canada), Chartered Bank, Trust Company, Credit Union, Caisse Populaire or Insurance Company, the Purchaser agrees to accept the Vendor's lawyer's personal undertaking to obtain, out of the closing funds, a discharge in registrable form and to register same on title within a reasonable period of time after Closing and, provided further the Vendor shall provide to the Purchaser a mortgage statement prepared by the mortgagee setting out the balance required to obtain the discharge, together with a direction executed by the Vendor directing payment to the mortgagee of the amount required to obtain the discharge out of the balance due on completion.

On or before Closing, the Vendor shall have paid all realty taxes due and owing with respect to the Lands. In the event that realty taxes have not yet been separately assessed for the Real Property, the Vendor shall have the option of undertaking to pay all realty taxes on the Land alone for the year in which Closing occurs, in which event the Vendor shall receive a credit in the statement of adjustments for the estimated amount of such taxes, notwithstanding that all such taxes may not yet be due and payable and this will not yet have been paid. When the actual amount of such estimated realty taxes for the land alone have been determined, the Vendor and Purchaser agree to readjust the statement of adjustments and to make the appropriate payment to each other. Notwithstanding anything contained in this agreement as to payment of property taxes, the Purchaser acknowledges that he is responsible for ensuring that the Real Property is properly assessed for property tax purposes and for taking such steps as may be necessary by way of appeal or otherwise in respect of the Notice of Assessment forwarded by the appropriate authority relating to occupancy of the Real Property.
12. The Purchaser agrees that he will reimburse the Vendor for the cost of enrolling the dwelling under the Tarion Warranty Corporation plus applicable HST.
13. The Purchaser acknowledges and accepts that the Real Estate Transaction Levy Surcharge imposed upon the Vendor or the Vendor's Solicitor by the Law Society of Ontario upon the registration of a Transfer/Deed of Land will be the responsibility of the Purchaser and shall be credited to the Vendor on Closing.
14. The Purchaser acknowledges and accepts that there will be an administrative charge levied by The City of Ottawa in conjunction with setting up the assessment roll number for the Real Property and that this administrative charge will be the responsibility of the Purchaser. If such administrative charge has or will be paid by the Vendor with the realty taxes for the Real Property, there will be a credit to the Vendor in the statement of adjustments. Furthermore, the Purchaser acknowledges and accepts that the Purchaser shall be responsible for any administrative charge to be levied by The City of Ottawa in conjunction with the change of municipal records to reflect the transfer of ownership to the Purchaser.
15. The Purchaser acknowledges and accepts that any banking fees applicable to wire transfers for the delivery of funds to the Vendor's solicitor will be the responsibility of the Purchaser and shall be credited to the Vendor on Closing.
16. The Purchaser acknowledges and accepts that any amounts expended by the Vendor to remove or discharge any registrations or liens caused to be registered by the Purchaser in respect of the Real Property or Land prior to Closing shall be credited to the Vendor on Closing.
17. The Purchaser acknowledges and accepts that any and all losses, damages and/or costs which may arise as a result of a breach by the Purchaser of any of its covenants and obligations under this Agreement shall be credited to the Vendor on Closing.
18. The Purchaser acknowledges and accepts that any and all amounts expended by the Vendor to correct, rectify, and/or remedy any damage caused by the Purchaser, and those for whom it is in law responsible, to any service, utilities, installations or equipment installed within the Subdivision shall be credited to the Vendor on Closing.

19. The Purchaser acknowledges and accepts that any administrative fees and costs, where and if applicable in the circumstances described in the relevant paragraphs of this Agreement, and to the extent not already described above or elsewhere in this Agreement, shall be credited to the Vendor on Closing.
20. In the event that, at the Purchaser's request, the Vendor agrees to extend the Firm Closing Date (as such term is more particularly described in Tarion Schedule E hereto), the Vendor reserves the right to charge a fee of \$250 plus HST as a credit to the Vendor in the statement of adjustments for each day from and including the day on which Closing was to have taken place to and including the extended closing date. Notwithstanding the foregoing, the Vendor shall not be obliged to agree to any request of the Purchaser to delay Closing and at all times, time shall remain of the essence of this Agreement.
21. **Planning Act:** This Agreement is subject to compliance by the Vendor with the *Planning Act* as amended, and any necessary approval of the conveyance shall be obtained by the Vendor at its expense.
22. **Closing and Compensation For Delayed Closing:** This Agreement shall be completed as set for Closing pursuant to the Tarion Schedule E, on which date vacant possession of the Real Property is to be given to the Purchaser. In the event that the completion of the dwelling is delayed by any reason or cause beyond the control of the Vendor, the Vendor shall be permitted postponements as set out in the Tarion Schedule E. If the Vendor should be unable to substantially complete the dwelling for occupancy or close this transaction within the extended time, failing agreement in writing by both the Vendor and the Purchaser to further extend the Closing in accordance with the provisions of the Tarion Schedule then this Agreement shall be at an end and the deposit monies returned to the Purchaser without interest or deductions and the Vendor shall not be liable to the Purchaser for any damages, costs, expenses suffered or incurred by the Purchaser as a result of any delay in Closing, other than as provided by the Ontario New Home Warranties Plan Act and the regulations thereunder, as set out in Tarion Schedule E. In the event that the dwelling being erected on the land is substantially completed for occupancy by the date of Closing, or any extension thereof, the sale shall be completed on that date and the Vendor shall complete any outstanding details of construction required by this Agreement within a reasonable time thereafter, having regard to weather conditions and the availability of supplies.
22. **Access by Vendor After Closing:** The Vendor or persons authorized by the Vendor shall have free access at all reasonable hours to enter upon the Real Property after Closing in order to make inspections and do any work or repairs thereon which the Vendor deems necessary.

In the event that the Purchaser erects a fence or fences on any portion of the Real Property prior to one year from date of closing the Vendor shall be relieved from all warranty obligations relating to landscaping and grading and the Vendor shall not thereafter be obliged to amend, alter or repair the grading or any part thereof. This covenant shall not merge with the closing of this transaction.
24. **Dispute Resolution:** In the event that either before or after the Closing any dispute arises out of this transaction, the Vendor shall have the option to terminate this Agreement, or if after Closing to require a reconveyance of the Real Property, upon payment to the Purchaser by certified cheque of the total amount of all sums paid by the Purchaser pursuant to this Agreement and on account of taxes. The said option to terminate or reconvey may be exercised by the Vendor giving notice to the Purchaser or their Solicitor by telefax, prepaid registered mail or personal service at any time before the Closing (for option to terminate) and thereafter (for option to reconvey) within three hundred and sixty-five (365) days of the date the Vendor determines that the dispute arose. If the said option to reconvey is exercised by the Vendor after Closing the Purchaser shall vacate the dwelling and shall reconvey the Real Property to the Vendor both within thirty (30) days of the notice of option to reconvey being given and shall pay to the Vendor on account of the Purchaser's period of possession a sum calculated at a yearly rate of ten percent (10%) of the purchase price, adjusted pro-rata to the date of reconveyance. The Purchaser covenants, acknowledges and agrees that in such event he shall be responsible for any damage caused to the dwelling during the period of possession, reasonable wear and tear excluded and further acknowledges and agrees that no claim for damages, compensation or other relief will accrue to or be pursued by the Purchaser and hereby constitutes these presents as a full release, waiver and estoppel of any such claim. This option to terminate or reconvey shall not apply to any matter governed by Tarion Warranty Corporation during the period of time that any such matter may be subject to the dispute resolution mechanisms established under the Tarion Warranty Corporation.

If the Purchaser's Solicitor fails to give such notification, the Vendor's Solicitor shall be entitled to prepare the Transfer to the Purchaser as described herein, and if there is more than one Purchaser, the Transfer will show them as joint tenants and insert the Real Property as the Purchaser's address for service. The Purchaser acknowledges that the consideration shown in the Transfer includes the Tarion Warranty Corporation enrolment fee pursuant to tax bulletin LTT 1-2006 "Determining the Value of the Consideration for Transfers of New Homes". The Affidavit of Value of the Consideration pursuant to the *Land Transfer Tax Act* shall be completed by the Purchaser's solicitor, and the deed or transfer shall contain, or shall be subject to such covenants and restrictions as the Vendor shall require in order to comply with the provisions of any subdivision or other agreement entered into by the Vendor, or any predecessor, with the relevant municipality or municipalities. **ADMINISTRATION FEES** - Purchaser(s) Acknowledge That An Administration Fee Will Be Charged For All Change Orders Received after the cutoff date. No estimates or orders will be accepted once construction has commenced.

- Should a refund be requested on any extras purchased, an 80% reimbursement of the purchase price will be given. (a \$50.00 minimum charge and a maximum \$250.00 charge will apply.)

- The purchaser acknowledges and accepts that ANY changes made to upgrades after signing the 680's are subject to a minimum administration fee of \$300.00. PLUS a 10% holdback fee.

- Purchasers are aware that any request to add a percentage of upgrades from the 680's will be processed only after the builder receives approval letter from the bank.
9.

**GENERAL** - The purchaser understands that all decorator items: furnishings, appliances, draperies, painted colour walls, floors, wallpaper, panelling, alarm system, and eavestroughing found inside the model homes are for display purposes only and do not constitute standard items in the purchase price. Service location of hot water tanks, furnaces, air conditioning, basement wall height, specifications and material finishes may vary from model homes/plans.

- The number of steps required at entrances into the home and the garage entrance may vary from the model home/plans depending on individual lot grading requirements. Due to these steps, exterior railings may be required. Purchaser(s) acknowledge the requirement to install an approximate 3' x 3' landing with stairs at the garage entrance to the house as a result of the 2006 Building Code Requirement OBC 9.8.6.2. if 3 or more risers are required as a result of grading.

- Basement window wells may or may not be required depending upon individual lot grading requirements.

- Zoning bylaws specify maximum driveway widths which are based upon frontages. A tapering of The Purchaser's driveway may be required depending upon the frontage and specifically if the frontage is less than average as in the case of a pie-shaped lot.

- The grading and drainage of The Purchaser's lot has been designed and engineered to ensure that surface water is directed away from The Purchaser's home and into swales. These swales run at the side and rear of The Purchaser's property lines. Swales generally have more aggressive slopes relative to the general lot and will always occupy a portion of the useable space of The Purchaser's lot to serve their function properly.

- Purchaser(s) acknowledge that kitchen and bathroom ceramic wall border and or decorator insert tiles selected by the Purchaser(s) are installed at the discretion of the installation contractor unless specified otherwise by the Purchaser(s).
